Wander Woman Marcia Reynolds, 2010-06-14 There is a new generation of high achieving women confident ambitious and driven yet anxious discontent and above all restless Constantly juggling multiple roles and reevaluating goals today s wander women move from job to job challenge to challenge almost on impulse Drawing on fresh research and extensive interviews Marcia Reynolds helps you understand the roots of your restlessness and discover how to make your wandering a conscious strategy not a series of unplanned events She provides a wealth of exercises and practices so you can better understand the needs that drive your decisions discover new ways of finding direction and thoughtfully choose and plan your future whether climbing the corporate ladder finding satisfaction below the glass ceiling or setting out on your own

Coach the Person, Not the Problem Marcia Reynolds, 2020-06-02 Master one of coaching's toughest skills using reflective inquiry to help clients see themselves and their world through new eyes An essential resource Deb Giffen Wharton Executive Education Coaches rely far too much on asking open ended questions says Marcia Reynolds a founding member of the coaching movement But questions only seek answers inquiry provides insight When instead of just questions clients hear their thoughts opinions and beliefs spoken by someone else it prompts them to critically consider how their thinking affects their goals In this book Reynolds cites the latest brain science to show why reflective inquiry works and provides techniques tips and structures for creating breakthrough conversations Freeing coaches from the cult of asking the magical question she offers five essential practices of reflective inquiry Focus on the person not the problem Summarize what is heard and expressed Identify underlying beliefs and assumptions Unwrap the desired outcome Articulate insights and commitments Using these practices combined with a respectful and caring presence helps create a space where clients feel safe seen and valued for who they are Coaches become change agents who actively recharge the human spirit And clients naturally dive deeper and develop personalized solutions that may surprise even the coach

The Discomfort Zone Marcia Reynolds, 2014-10-13 You want people to stretch their limits but your conversations meant to help them often fall flat or backfire creating more resistance than growth Top leadership coach Marcia Reynolds offers a model for using the Discomfort Zone the moment when the mind is most open to learning to prompt people to think through problems see situations more strategically and transcend their limitations Drawing on recent discoveries in the neuroscience of learning Reynolds shows how to ask the kinds of questions that short circuit the brain's defense mechanisms and habitual thought patterns Then instead of being told people see for themselves the insightful and often profound solutions to what is stopping their progress The exercises and case studies will help you use discomfort in your conversations to create lasting changes and an enlivened workforce

No Excuses Gloria Feldt, 2010-09-28 An invaluable guidebook which contends that the most vexing problems facing women today isn't that doors of opportunity aren't open but that not enough women are walking through them Feminist icon

Gloria Feldt pulls no punches in this new book which argues that the most confounding problem facing women today isn't that doors of opportunity aren't open but that not enough women are walking through them. From the boardroom to the bedroom, public office to personal relationships, she asserts that nobody is keeping women from parity except themselves. Feldt puts women's power into an historical context showing the ways in which women have made huge leaps forward in the past only to pull back right when they were at the threshold. Feldt argues that there's no excuse whether it's the way women are socialized or pressure to conform or work-life balance issues for women today not to own their power. Women are still facing unequal pay, being passed over for promotions, entering public office at a much lesser rate than men, and oftentimes still struggling with traditional power dynamics in their interpersonal relationships. Feldt's solution to all these places where women face inequality is the same: we need to shift the way we think to achieve true parity with our male counterparts. *No Excuses* is divided into nine chapters that are organized around how women can change the way they think and therefore the way they act. These include *Know Your History* and *You Can Create the Future of Your Choice*. Define the Terms First, Embrace Controversy, Employ Every Medium, and other helpful ideas for using the tools and resources women already have to create the changes they want to see. *No Excuses* is a timely and invaluable book to help women equalize gender power in politics, work, and love.

Leading Women Nancy D O'Reilly, 2014-11-07 Now is the time. Stop waiting around for the career and life that you deserve and start taking the reins. *Leading Women* shows you how to claim power and respect, conquer your internal barriers, and change the world by helping other women do the same. Featuring stories from twenty nationally acclaimed female leaders, this empowering guide offers real-life advice for breaking free of the predetermined roles in the business world and life. Powerful women such as New York Times bestselling author Marci Shimoff, advocacy leader Gloria Feldt, and Emmy-winning television host Aurea McGarry describe what it's like to go beyond their comfort zones, hold their own in a male-dominated environment, and take control of the situations that keep many women from achieving their goals. From corporate coach Lois Frankel's key ways to becoming a natural and necessary leader to bestselling author M. Bridget Cook Burch's struggles after years of abuse, their insight will help you embrace your purpose, seize important opportunities, and overcome any obstacle that comes your way. With the guidance of these influential, resourceful leaders, you'll maximize your personal power, exceed your business goals, and establish a network designed to support and celebrate your fellow women. Contributors include Kristin Andress, Cheryl Benton, Claire Damken, Brown PhD, M. Bridget Cook Burch, Vivian Diller PhD, Gloria Feldt, Lois P. Frankel PhD, Joanna L.
