

CELEBRATE POETRY & WAFFLES ON NATIONAL WAFFLE DAY, AUGUST 24—OR ANY DAY!

WAFFLES, WAFFLES, WAFFLES!

by Allan Wolf

From Birmingham to Baraboo
There is no better breakfast food.
Pass the maple syrup.
Give us waffles, waffles, waffles!

A waffle has a checkered face
To keep the butter in its place.
Pass the maple syrup.
Give us waffles, waffles, waffles!

Whenever we are in the mood
For pancakes with an attitude,
Pass the maple syrup.
Give us waffles, waffles, waffles!

Waffles A Book Of Poetry:

Waffles K. Kalyaan Davis,2013-08 Waffles Why do we waffle over our ambitions Who makes us waffle when we desire to do better Why do we allow this to happen when we have so many skills abilities and talents As you walk through the pages of this intriguing book of poetry you will see through your mind s eye life s experiences trials and tribulations You will see and feel happiness joy and sorrow beginnings endings and in between Life s struggles emotions dreams and anxieties where will they take me where will they take you I was so inspired by my friends who experienced life shattering events My empathy is deep my compassion is undeniable and my help to them was a listening ear a hug prayers and poetry If I could help one person feel a little better through written word then that is what I always aimed to do I loved seeing their reaction and feel them relate to words personalized for them I saw their tears pain and frustration then I felt their joy I hope you enjoy the travels of life as you open your mind through poetry May the words contained within help you feel better no matter what you are going through The words I am sharing with you I have shared with those I love *Mr. Waffle's Wonderful World of Poetry* Bill Watkins,2016-10-31 This is an anthology of all Bill s best work that which has been placed in other self published books Some want a substantial book with a title on the spine of it one that has a bit of everything So from San Miguel de Allende Guanajuato Mexico to his prayers for poetry to come to him in 1995 while traveling there From thrown away journals to barely saved disks to hard drives and failed book attempts To his website www.travelingpoet.net then back to book form is this anthology of Mr Waffle s Wonderful World of Poetry A world that cannot be truly wonderful without folks to share it with so read recite and call Bill for a visit **Writing at the Waffle House** Jerry Judge,2008 **Strawberry Waffles S**

Brooks,2018-05-06 I would like to sincerely express all of the pictures I have mediated into the mastery of words Enjoy this book and the many more that will come bearing it s name in the form of other volumes I have considered myself to be a doctor of mental surgery I don t need to put you to sleep for this surgery I gently remove your skull as we sit chat and I cut through the tissue that has been getting in the way of your real brain and it s spiritual body which you may know as the mind Deep within I see the Damage it s very old and stale Yet it hasn t separated itself from yourself I grab it from out of your brain rinsing the old residue that remained I gently put your skull back on you haven t even noticed When I touch your hand you awaken like you have been sleep for many years We look into the depth of each other and we have linked ourselves to the divinity that has been broken between us We kiss and then kiss we did we miss in the mist of the kiss I can feel the very feeling of the bliss the moment has altered our place where we once stood and we appear to be in an environment that is shaping *Waffle House Blues* Carter Monroe,2019-05-20 have known Carter Monroe for twenty years During that time we have had many many face to face and long distance conversations and I have never failed to come away from a single one of them without having my perspective altered in some way What is remarkable though is that he has that kind of relationship with numerous writers musicians and artists around the country and the globe He is truly a great communicator generous

with both his time and resources The poems in Waffle House Blues succeed for this same reason Monroe takes the familiar who hasn't experienced this iconic chain and imbues it with his singular world vision in narratives that are both homey and sophisticated In this outstanding volume he proves again to be a shrewd observer of the human animal and demonstrates that one doesn't have to go far into the world to see most of it Tim Peeler author of West of Mercy We See What We Want to See Knuckle Bear Rough Beast and Touching All the Bases Poems About Baseball **Immersed in Verse** Allan Wolf, 2009 Contains advice ideas writing activities and encouragement from a working poet for aspiring poets Includes poems by a variety of poets from the unknown to the famous including Langston Hughes e e cummings Eve Merriam and more
