Crumb, 2000 Contains 120 black and white illustrations which were drawn on restaurant placemats by American artist R Crumb Waiting For Food, Number 3 R. Crumb, 2004-03-03 A collection of placemat drawings done by the renowned eccentric cartoonist R Crumb In the preface he states Now I have a good reason for making artwork on placemats I m no longer simply doodling to pass the time til the food arrives I m earning while waiting to be served I m getting paid for it You see recently I had an art show of placemat drawings at a gallery in N Y some of these things were sold for thousands of dollars apiece I was flabbergasted The foodstains on the paper which don t show up on the reproductions in these books actually enhanced the value To think I used to just walk out leave these drawings on the table or give them to anyone who asked for them What a fool Well those days are gone **In the Studio** Todd Hignite, 2007-09-21 Nine critically acclaimed cartoonists and graphic novelists invite us into their studios to discuss their art and inspirations These studio visits with some of today s most popular and innovative comic artists present an unparalleled look at the cutting edge of the comic medium The artists some of whom rarely grant interviews offer insights into the creative process their influences and personal sources of inspiration and the history of comics The interviews amount to private gallery tours with the artists commenting now thoughtfully now passionately on their own work as well as the works of others The book is generously illustrated with full color reproductions of the artists works including some that have been published and others not originally intended for publication such as sketchbooks and personal projects Additional

illustrations show behind the scenes working processes of the cartoonists and particular works by others that have influenced or inspired them Through the eyes of these artists we see with a new clarity the achievement of contemporary cartoonists and the extraordinary possibilities of comic art
