The Rock: Looking into Australia's 'Heart of Darkness' from the edge of its wild frontier Aaron Smith, 2020-12-01 Journalist Aaron Smith's new memoir holds up a unique mirror to Australia What he sees is at once amazing disturbing and revealing *The Rock* explores the failings of our nation's character its unresolved past and its uncertain future from the vantage point of its most northerly outpost Thursday Island Smith was the last editor fearless journalist and the paperboy of Australia's most northerly newspaper the *Torres News* a small independent regional tabloid that until it folded in late 2019 was the voice of a predominantly Torres Strait Islander and Aboriginal readership for 63 years across some of the

most remote and little understood communities in Australia The Rock is a story of self discovery where Smith grapples to understand a national identity marred by its racist underbelly where he is transplanted from his white boy privileged suburban life to being a racial and cultural minority and an outsider Peppered with his experiences Smith gradually and sensitively becomes embedded in island life while vividly capturing the endless and often farcical parade of personalities and politicians including Scott Morrison and Tony Abbott Smith pulls no punches while he reflects on the history of Terra Australis incognita dissecting what is truly Australia and its gaping cultural and moral divide A credit to regional journalism Aaron carried on the fine tradition of the Torres News holding governments to account and telling stories of everyday life in the Straits never shying away from controversies lifting all the rocks and even out foxing prime minister Tony Abbott on his visit to Mabo s grave Stefan Armbruster SBS Aaron Smith makes a huge and extremely valuable contribution to journalism in Australia With insight and committment he brings issues of national and international significance to audiences in Australia and beyond Dr Tess Newton Cain Griffith Asia Institute Aaron s journalism has provided a rare and valuable insight into issues affecting the Torres Strait Islander community Navigating cultural protocols and geographical challenges he has given a voice to some of Australia s most marginalised people and shared important stories that would otherwise have gone unheard Ella Archibald Binge Sydney Morning Herald

Pearson's Magazine ,1902 **The Last House** Alex Paikada,2013-03-13 The story is the cross section of the life and realities of Kerala State South India during the hoary and obfuscated years of internal emergency The protagonists in the story are generally sad and the sadness they are charged with makes them philosophical in various ways Each one is gnawed by a nostalgia to reach out to a state of being and also to a state of mind they seem to have forfeited somewhere beyond the time space capsule they are shut into The story largely covers the life of Christian Syrian settlers who settled in the virgin forests of northeastern hill tracts of Kerala destroying the forests that were there for thousands of years supporting a community of aborigines who survived in the woods quite unobtrusively and sustainably The relation between man and nature has degraded to be that of hunter and prey from that of child and mother and the socio environmental ramifications thereof are far reaching Also the story examines the relation between the rulers and the ruled from an elemental angle The story is basically centered on a man who undergoes a spiritual as well as political evolution through the rigorous course of life The desolation poverty political opportunism and the poetic suffering of the rural masses of the hill tracts of Kerala State South India offer the fecund canvass for the development of the story It explores the possibility of man reaching a solemn level of inner maturity across the trials and tribulations Particularly in the backdrop of the Communist party spreading its mass base and then declining through decadence and avarice The faces places and events elaborated in the story are very near to me and very dear to me The plot is very realistic and my own life is spread thin in the story **Isan** John R. Hamilton,2013-02-13 Follow one woman s journey from her rural home through Thai politics and back to reconciliation and home Daeng grew up in a small rural village in the Isan region in Thailand in the

shadow of an idolized brother Jit Jit heads off to University in Bangkok while Daeng stays at home with their aging mother. Tragedy strikes Jit is killed because of his political activism. Now Daeng must find her way on a new path finding her heart independence and the answers she so desperately wants.
