Fundamentals of the Science and Treatment of Psychological Disorders, with eBook Access Code Sheri L. Johnson, Ann M. Kring, 2025-10-21 A REFINED FOCUSED APPROACH TO LEARNING PSYCHOPATHOLOGY Adapted from the 16th edition of Kring and Johnson's popular text The Science and Treatment of Psychological Disorders this Fundamentals version offers a streamlined textbook that maintains the strengths of the traditional text Johnson and Kring continue to bring to light cutting edge research which they balance against clinical understanding Throughout they strive to provide clear prose helpful examples of clinical cases to illustrate symptoms and treatments and up to date scientific coverage of issues that are front and center in current media such as opioids and vaping and digital mental health With a shorter more focused text the authors give learners a solid foundation in psychopathology They emphasize an integrative approach showing how psychopathology is best understood by considering multiple perspectives biological cognitive behavioral and socio emotional and how these varying perspectives can provide us with the clearest accounting of the causes of these disorders For each disorder they provide learners with an understanding of the best supported biological and psychological treatments so that learners come away with the latest science on what works and for whom Critical issues in how race culture and country of origin are considered The final chapter of the book covers important legal and ethical issues in the mental health field The importance of stigma and mental illness is discussed throughout the book never is this more important than now when many social ills are too easily blamed on mental illness e.g. gun violence while we continue to warehouse people with mental illness in jails at an astonishing rate AN INTERACTIVE MULTIMEDIA LEARNING EXPERIENCE This textbook includes access to an interactive multimedia e-text Icons throughout the print book signal corresponding digital content in the e-text Case Study Videos and Pause and Ponder Activities A collection of fourteen 7 to 10 minute Case Study Videos presents an encompassing view of a variety of psychological disorders featuring people experiencing these disorders and their family members describing symptoms from their own perspective In addition each video provides concise information about the available treatment options and commentary from a mental health professional Each video is presented in the context of a Pause and Ponder activity with the following elements Part I Pause Readers are asked to read several short examples of everyday life situations facing a person or people with a particular disorder and assess their own ability to empathize Part II Learn Readers are directed to view the Case Study Video and answer a series of questions with interactive self-scoring Part III Ponder Finally readers are asked to respond to one or more open ended questions and to reassess their ability to empathize Concept and Topic Videos In early chapters short videos complement the reading with broad overviews of important concepts like the scientific method the importance of reliability and validity in research etc In later chapters these short videos are designed to draw students in and

provide a general overview of the disorders and treatments they will read about and study Instructor s Resources include brief open ended question sets for use with these videos that ask questions to stimulate students curiosity like What did the video confirm about your prior understanding of What did the video challenge about your prior understanding of Did anything surprise you if so what What are you curious to learn more about concerning Interactive Figures Charts Tables Appearing throughout the enhanced e text interactive figures process diagrams and tables facilitate the study of complex concepts and processes and help students retain important information Even many of the simplest figures are interactive to encourage online readers to pause and absorb the information they present before scrolling on to additional reading Interactive Self Scoring Check Your Knowledge Questions and Practice Quizzes Students can check their answers to the Check Your Knowledge questions at the end of each major chapter section instantly and each chapter includes a self scoring Practice Quiz to help prepare for graded assignments and exams [Phantom Tollbooth \(ENHANCED eBook\)](#) Janice K.
