Walid Shoebat Predictions:

The Prophecy Puzzle Joseph R. Ebenhoe, 2008-08 The Prophecy Puzzle is a study on the whole book of Revelation not just end time events but as the title suggests it does go into great detail on these events and the order in which they will occur I attempt to bring many of the prophecies of the Old Testament into the book of Revelation to give a clearer and perhaps surprising view of what is to occur in the near future My goal isn't to win everyone to my viewpoint but to encourage thought and provide an opportunity for God to teach from His Holy Word the Bible I've been a Christian for more than twenty years which in itself has been a great blessing but one of the greatest blessings during this time has been the occupations the LORD has provided for me This is true because for most of that time I've been able to listen to five or six hours of Christian radio a day This has enabled me to listen to the teachings of some of the finest teachers in modern times Many of which disagree with each other almost as much as one can and still remain orthodox This unique privilege has allowed me to study many views on the end times which I believe has enabled me with God's help to understand them better Also over these past twenty plus years I've had the privilege to directly study under some great teachers For much of those twenty years I've also taught a home Bible study and frequently taught classes in my local church

The Mystery of Prophecy: Volume 1, The Secrets of Daniel Harlan Legare, 2018-10-31 Forty years ago the Holy Spirit told Harlan Legare If you study I will teach you With that promise came a great love for God's prophetic word The teaching of the Holy Spirit began with an understanding of the prophecies of Daniel the key to understanding the words of many of the other prophets especially those of Zachariah and those of John in the book of Revelation Here are just a few of the many mysteries of prophecy revealed in The Mystery of Prophecy The Secrets of Daniel that were revealed to Harlan by the Holy Spirit through those years The time of the Rapture within the schedule of events of the coming days The marvelous truth of the days of 1335 the beginning of birth pangs of the rebirth of the nation of Israel The real identity of the infamous head of the beast that was wounded unto death by the sword Proof that the Antichrist will not rule the world The key to the mystery of Babylon the Great and the scarlet colored beast she rides The origin of the Antichrist The true purpose for the existence of the Red Dragon with seven heads and ten horns A complete interpretation of the Beast from the Sea with its seven heads and ten horns The exact date of the crucifixion of Jesus The exact day of Artaxerxes's command to restore and to build Jerusalem The very place where Israel was to flee for the 1 260 days of protection Revealing of the identity of the coming King of the North The event that begins the 2300

evenings and mornings Why God sealed the book of Daniel [God's Heart for Israel \(and Us\)](#) John Weldon, 2011-07-12 We read God's promises to Israel in the Old Testament where it is referred to as the apple of His eye but is God done with Israel since they rejected their Messiah Are we as Christians supposed to stand for the nation of Israel today Has the Church now replaced Israel so that God's promises and covenants given in the OT no longer apply to Israel What is Israel's global importance Is global anti-Semitism on the rise What will be Israel's ultimate future According to an article in the Jerusalem

Post of June 17 2011 Israel is at a do or die moment As was the case in May 1967 when the combined Arab armies gathered with the express purpose of wiping the Jewish state off the map today again Israel is alone in its hour of greatest peril John Weldon is able to answer these questions and address the important issues of our day because of the extensive research he has done on Middle East and America He shares what he has learned in this deeply thought provoking book *The Man of Lawlessness* David Reagan,2012-10-09 This exciting book focuses on the rise and fall of the Antichrist during the Great Tribulation A unique feature of this book is that it features the opinions of 22 Bible prophecy experts who were interviewed by Dr Reagan regarding key questions about the Antichrist such as Will he be a Jew or a Gentile Could he be a Muslim Will he be killed and resurrected from the dead Where will his headquarters be located Is he alive today Experts included are Daymond Duck Gary Fisher Gary Frazier Arnold Fruchtenbaum Ray Gano Al Gist Phillip Goodman Ed Hindson Mark Hitchcock David Hocking David Hunt Noah Hutchings Terry James Nathan Jones Tim LaHaye Caryl Matrisciana Don McGee Chuck Missler Don Perkins Ron Rhodes Bill Salus and Todd Strandberg *The Islamic Antichrist* Joel Richardson,2009 In *The Islamic Antichrist* Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away His book will stun readers unaware of the similarities between the Antichrist and the Islamic Jesus His research on the relationship between Christian end time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come This is the book to read to understand Islam's potential role in fulfilling the prophecies of the Bible Page 2 of cover *America in Prophecy* John Quiles,2019-01-30 Is our Lord's return imminent Many Christians believe it is emphasizing that He has promised to return and that as His disciples we must be ready Yet in spite of their assurance surprisingly few of God's people may actually be prepared for His appearing Of the many signs suggesting that our Lord's return is near two in particular are of great interest the rise of Babylon and the restoration of Israel These two major end time events as foretold in Scripture have great implications for us as Americans and more specifically as Christians *America in Prophecy A Nation at a Crossroads* examines these two major prophetic indicators and not only reveals their importance in determining how close to our Lord's return we actually are but also their connection to what it truly means to be a disciple of Jesus Christ It unveils the big picture regarding end time Bible prophecy as it relates to America and shows how we are indeed standing at a crossroads not only as a nation but as God's corporate body the Church and as its individual members in particular *America in Prophecy* seeks to answer the question of where and how we as Christians living in the United States of America at this particular juncture in history fit into God's end time scenario Most importantly it explains what we must do to ensure that we are ready for our Lord's return Of all the books currently on the market one may be hard pressed to find a more pertinent timely and compelling message for today's Christian Outside of the Bible this is quite possibly one of the most exciting books you will ever read on the subject of end time Bible prophecy and the necessity for believers everywhere to make certain they are ready for our Lord's return

When the Perfect Comes Dr. Brad Young, 2022-08-08 A masterful yet truly accessible survey of end time theology Young presents complex topics in a very readable manner all the while remaining faithful to Scripture Micah Redfield Master of Theology from Denver Seminary Scripture affirms what the apostles passed down to the early church including that the church will go through the entire Tribulation and the Antichrist will come from the Middle East If the Early Church and ancient Jewish writings including Hosea are correct the Tribulation might start within the next three years Brad Young examines what the Bible tells us about the end time as well as the Second Coming of Christ He considers questions such as Why should we study prophecy How do we discover prophetic truth Can the Bible's prophecies be trusted What happens before and during the Tribulation Who will the Antichrist be and what is the Mark of the Beast How should we prepare for the Tribulation and Second Coming He also examines why there is a need for the Tribulation what happens when Christ returns and what the Kingdom of God will be like Other topics include the role of Islam during the end time as well as the role of Russia Also how Iran will spark a war in the Middle East just before the Tribulation Simplified and condensed with over 500 references When The Perfect Comes covers all aspects of prophecy which affect our lives and instructs us on the signs to look for This is the only prophecy book you need to understand the end time and what to do about it Discover what the Bible tells us about the Second Coming of Christ and change your life forever with the wisdom in When the Perfect Comes

REVELATION OF THE ANTICHRIST Joshua Abu, 2017-01-29 This research investigated the Revelation of the Antichrist with a view to both appreciate that he has been revealed and to have him revealed Several textual and non textual materials were reviewed for the purpose of this study including websites and videos on YouTube Consequently the person of the antichrist with supportive evidence were found together with his biblically stated characteristics Calculations that yield the name of the antichrist from the biblically given number 666 were also devised and reported in this study Finally the researcher's summary and conclusions were made including several recommendations such as all Christians needing to debase from erroneous views and teachings of the word of God and accept the entirety of the Old and New Testament as true and needing to be abided by
