Bradley Watson,2023-04-12 While hiking in 2010 an ill advised off trail climb left debut author K Bradley Watson dangling precariously over the edge of a cliff Narrowly escaping disaster Watson then found himself lost in the woods bushwhacking for hours before he found his way out of a dense canyon forest The haphazard hiking moment became an epiphany for him underscoring the importance of following trails As in hiking so it is in life and faith to find our way we need the direction of a path to guide us In *A Path Called Compelling* Watson reimagines the Christian faith as the Jesus Path where three key events from Jesus s life birth baptism temptations are revealed to be more than events to believe in but a path meant to be entered travelled and lived Acting as an expedition guide raconteur and pastor Watson weaves masterful storytelling with thoughtful reflections on Scripture that will have readers chuckling to themselves in one moment while readying themselves to travel the Jesus Path in the next Fresh and urgent the book invites readers to rediscover faith as they walk and explore *A Path Called Compelling* Changing Ourselves Kent Hodge,2013 Kent Hodge draws on nearly 30 years experience in Missions and church growth in this radical new book about how to live like Jesus both in times of persecution and in an indifferent Western world of moral decay It s radical because it s so simple We don t belong in camps and we do need to cross bridges In fact we need to build the bridges between the camps of differing opinion and practice in the church to search out again the simple truths that Jesus lived before the recorders of the Gospels Did Jesus really mean what he said in the Sermon on the Mount How do we do that In Northern Nigeria where the church has suffered bombings burnings midnight attacks on the homes of Christians only a return to the simple gospel has shown us how to respond The chapters of this book are illustrated with life stories the stories and experiences of friends and co workers living and overcoming in tough times It s simple and it makes sense but is incredibly challenging When you read what Jesus said in the Gospels you don t get the impression that faith is some kind of escape clause to heaven This book studies anew how the church goes about renewing the world
