Walk Wit Me All Ova Guyana:

Walk Wit' Me... Helena Martin, 2011-12-16 My memoir is laced with nostalgia and at the same time it is my sincere intention to portray the true essence of the Guyanese culture without offence Keep in mind that this is not based on the experience of every Guyanese This was the way I saw and experienced things back then The use of colloquialism is of utmost importance it is the vernacular we understand It may sound like another language so unless you were born and bred in Guyana you will need to refer to the glossary provided Folklore and mothers preaching life lessons through proverbs played a large part in Guyanese life This is not only an account of the first twenty one years of my life in Guyana it also contains anecdotes of visits back to my homeland You will also find a sprinkling of information pertaining to my new life in Australia Before immigrating to Australia I believed the sun only rose and set in Guyana I never imagined another paradise existed on the planet There is a saying that most Guyanese use to identify their roots after they have voluntarily immigrated or simply fled to another country When we say My navel string is buried in Guyana we simply mean My roots are there Its a place where true and enduring friendships were formed forever We will meet one another decades later and feel as if it was yesterday reminiscing about our beloved land lapsing into the language only a fellow Guyanese can understand A famous Australian crooner said I still call Australia home and I can assure you that saying applies to Guyanese who have immigrated to every corner of the globe Navigating the labyrinth of family secrets was my one mission in life I just had to know **Walk**

The Path of Return Trilogy: Jamayah: Adventures on the Path of Return, Collateral Karma, Letters from the Afterworld T. L. Orcutt, 2011-11 *The Path of Return Trilogy* is a remarkable literary contribution outside the commercial romance and detective formulas a raw tale painted with heartfelt humor which captures the innocence of imagination and the mystical forces that navigate life In the first novel *Jamayah Adventures on the Path of Return* baby boomer Bob Kramer arrives in mid life crisis with a job loss and recent divorce *Jamayah* an unlikely cosmopolitan guru mysteriously recruits Bob as an initiate on the Path of Return a fusion of wisdom traditions tempered toward paranormal mastery and cosmic awareness The progressively intense challenge is how Bob will reconcile his scientific skepticism in a mystical adventure that

embraces a strip bar and the horrors of war In the end Bob returns to ordinary life but feels detached alone and indifferent a malaise Jamayah reframes as having passed a sacred rite of passage The sequel Collateral Karma opens after Rickshaw Lubowski formerly Bob Kramer has ditched the Path of Return in search of more tangible things like sex occultism and sorcery As a result he becomes the target of a curse cast by the evil leader of a ceremonial cult who practices ritual sex and black magick Rickshaw s descent into the world of sensation and desire incurs mysterious nightmares all too real starting with the obsessively expected death of his new fianc Desperate he meets a blind fortuneteller who knows more about his destiny than anyone should and with whom he falls in love Only when he loses touch with reality does his mentor Jamayah appear Together they join forces with shamanic sorcerers to reverse the deadly curse The last novel in the series Letters from the Afterworld begins with Rickshaw reminiscing about his marriage to Crystal a year before Rickshaw attends a seance in Los Angeles conducted by a medium with a gift for automatic writing and receives a channeled letter for his friend Murdock Evidently Murdock is on a soul recall list for people whose souls prematurely inhabited their selected bodies Other friends of Rickshaw have dreams of the same recall letters and incur near fatal illnesses and accidents Jamayah distrusts the source of the afterworld letters and believes hybrid souls who formerly incarnated on an alien planet are exploiting humans for metabolic enzymes through enzymatic blood transfusions Stakes are raised when Rattlesnake Dan and Murdock are kidnapped and a ten year old boy is murdered Finally Rickshaw Jamayah SBL Weird Willie Raoul Juan Apollo and Billy the Kid mobilize the Cosmic Rangers with the pledge of liberty and justice for all
