**Chapter One** Brother Roland, 2008-10-23 Warning It has been noted that anyone who reads and hears everything written in this book may result in changes in their understanding finances health and anyone around them This book was not written so you can read and hear about all the miracles God did for me On the contrary this book was written solely with the purpose of what God can and will do for you The instructions written in this book are not written so you can read and hear about how God answered my prayers needs and wants The instructions written in this book are all about how God can and will answer all of your prayers needs and wants today tomorrow and forever It wasn't until I took the time to read and hear God's instructions to make all of this possible and not impossible In Mat 19 26 God's word says With God all things are possible and my life has never been the same If you are not happy with the way your life is going or something has been missing and you can't quite put your finger on it You are closer than you think Your first step is this book in your hands and only you can change all of this right now I can't do it for You If you take the time to read and hear what God has in these instructions for you your life will never be the same I Love you in the Lord always Brother Roland
