Walking With Jesus Through His Word Discovering Christ In All The Scriptures:

Walking with Jesus Through His Word Dennis E. Johnson, 2015-05 Charles Spurgeon once said that just as every road in England leads to London so every text in Scripture contains a path to Christ But there s still a chance of going the wrong way blazing misleading trails where none previously existed How can we be sure that we re reading our road map correctly Dennis Johnson shows us that there are established routes we can trust Guiding us along the network of trails in the Old and New Testaments he points to the signs and markers that help us to identify roads to Christ He surveys the Bible s sweeping story that makes up the lay of the land and explores different landmarks the central motifs in Scripture that give us our bearings as we seek out Jesus Our sermons Bible studies and personal devotions will be transformed as we navigate Scripture in light of its central purpose to draw us in faith and love to our Prophet Priest and King Book jacket **Walking with Jesus Through His Word** Dennis Edward Johnson, 2015 **In All the Scriptures** Nicholas G. Piotrowski, 2021-12-28 Biblical interpretation is both a science and an art and it has powerful implications for what we believe and how we apply God s Word In this accessible introduction to biblical hermeneutics Nicholas G Piotrowski presents a contextualized approach that equips students pastors and thoughtful readers to build a strong foundation for interpreting the Scriptures *After Emmaus* Brian J. Tabb, 2021-11-17 The church s mission does not begin with the Great Commission but is integrally related to the grand storyline of Scripture Did the Old Testament simply point to the coming of Christ and his saving work or is there more to the story After his resurrection the Lord Jesus revealed how his suffering glory and mission plan for the nations are in fact central to the biblical story of redemption After Emmaus shows how Christology and missiology are integrally connected throughout Scripture especially in the teaching of Jesus and the apostles Brian Tabb explains what Luke 24 46 47 reveals about God s messianic promises in the Old Testament their fulfillment in the New Testament and the purpose of the church By understanding Jesus s last words to his disciples Christians today will be motivated to participate in the Messiah s mission **Systematic Theology, Second Edition** Wayne A. practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology *The Path of Faith* Brandon D.

Crowe,2021-03-02 The closely related biblical themes of covenant and law are among the most important in Scripture In this ESBT volume Brandon Crowe considers these themes throughout both Old and New Testaments laying out key principles such as our obligation to obey our Creator how Jesus perfect obedience to God s law opens the way to eternal life and what the law means for us today *The Drama of Preaching* Eric B. Watkins,2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God s redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching *The Drama of Preaching* interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word Canon, Covenant and Christology Matthew Barrett,2020-02-20 All Scripture is breathed out by God 2 Timothy 3 16 From Paul s epistles the divine inspiration of Scripture may be confidently affirmed as well as its corollary attributes However on turning to Jesus and the Gospels it is hard to find an explicit approach like Paul s Matthew Barrett argues that Jesus and the apostles have just as convictional a doctrine of Scripture as Paul or Peter but it will only be discovered if the Gospels are read within their own canonical horizon and covenantal context The nature of Scripture presupposed by Jesus and the Gospel writers may not be addressed directly but it manifests itself powerfully when their words are read within the Old Testament s promise fulfilment pattern Nothing demonstrates Scripture s divine origin divine authorial intent and trustworthiness more than the gospel of Jesus Christ In the advent of the Son of God the Word has become flesh announcing to Jew and Gentile alike that the covenant promises Yahweh made through the Law and the Prophets have been fulfilled in the person and work of Christ
