with God Richard Holland,2020-12-02 The work of our teachers has often paralleled the history of our nation Our teachers have helped our country meet its historical challenges and respond to the needs and crises of American society What other profession can say they have done so much for so many Teachers have a historic legacy to carry on and the sacred responsibility to carry it into the future Our schools have the burden of ensuring the success of every child and the honor of carrying that burden The success of our teachers and our nation s well being are intimately bound together Teachers have demonstrated throughout our nation s history that they will respond to every challenge to insure our American way of life Our teachers counselors coaches and administrators have carried this burden necessary to secure the blessings of liberty for all American citizens This devotional is written to encourage our teachers who continue to carry this legacy and sacred responsibility into the future *The One Year Walk with God Devotional* Chris Tiegreen,2004 The wisdom and comfort found in Psalms and Proverbs provide the inspiration for these 365 exceptional devotions from Walk Thru the Bible Ministries Each day s devotion includes a Bible verse reflective thought and application question to help the reader gain a full understanding of God s Word **Walking Away From Your Yesterday: A 28 Day Devotional** C.D. Vaughn,2014-06-16 Every day in life is a new day every day we have been graciously given the opportunity to start over and make the day before our yesterday So many times we hold on to our past not realizing that yesterday is over and we can move forward in a new day and that yesterday can t bind us unless we allow it You me we are not our yesterday We are not the past things that we have done and sometimes it is hard for us to understand that because we have people in our life that constantly remind us of the things that we have done we have a mirror that holds the reflection of our past hurts and pains and it holds us to our yesterday *Walking with God* Rachel Jamerson,2019-05-26 I have always had an inquiring mind I want to know the who what when where how and why of everything I pay careful attention to what people don t say as well as what they say You d be surprised at how much you can learn by simple observation I also have a habit of asking Why in my conversations with others for which I have been criticized However I don t do it to embarrass anyone I ve just always wanted to create in others the desire for knowledge to get people to question the world around them and the things they do To think about their own lives and to analyze what they believe and why they believe it I want them to THINK That s why I ask questions and that s why I wrote this book God gave us an awesome gift called the brain Let s use it How does this apply to you You have a purpose Everyone born on this earth does From your first breath until your last every choice you make affects the world in some way and the decisions you make have a permanent effect on you and those in your circle of influence That s why it s so important to ask the Why questions Just as we leave our marks on others they also leave their marks on us Think about the people you have met in your life and how they affected you Teachers family members friends and leaders from all walks of life People you admired or those you despised Those you loved and those who loved you They all left you with something Whether it was negative or positive you were changed in some way This brings me back to this book and why I wrote it I am

not much of a fiction writer I like to write about the things I have learned usually the hard way I am also not one who reads much fiction instead I like to read about other people s journey and what they have learned Many times you will find a reference to another author s work in my writing because what they wrote meant something to me and I want to share it with others My hope is that in reading this book you will begin to understand the importance of asking the right questions Of looking at things from a different perspective as well as understanding the cause and effect of our relationships with others I hope that you will understand the importance of using God s Word to illuminate your understanding and how to apply His wisdom in your life What follows is a collection of vignettes thoughts and life lessons that are presented to challenge and encourage you They are the result of my 75 years of life experience 45 of them spent walking with the Lord By observing my life and applying God s wisdom as shown in His Word I pray you will become wiser growing in confidence in your relationship with Jesus
