Wall Intimacy And Other Stories:

The Wall (Intimacy) and Other Stories Jean-Paul Sartre, 1969 One of Sartre's greatest existentialist works of fiction The Wall contains the only five short stories he ever wrote Set during the Spanish Civil War the title story crystallizes the famous philosopher's existentialism The Writings of Jean-Paul Sartre: Contat, M. and Rybalka, M. A bibliographical life Michel Contat, Michel Rybalka, 1974 A 2 vol translation with revisions and additions of a 1 vol work published as Les écrits de Sartre chronologie bibliographie commentée by Gallimard 1970 *The Twin Fortunes & Other Stories* James I. McGovern, 2004-03 The thirteen stories in this collection concern people from a wide variety of backgrounds As they struggle with the problems they meet physical emotional or spiritual they become conscious of past failures and missing necessities for their futures While they have various degrees of success or failure it's the awareness of the reasons for one's fate that emerges as the central value This knowledge of limitations sometimes bolstered by compassion or will empowers some of the characters but remains elusive for others Tomasso's Fortune, and Other Stories Hugh Stowell Scott, 1904 *The World of Dew and Other Stories* Julian Mortimer Smith, 2021-04-06 Imagine a world populated by hideous trolls time traveling scientists and intergalactic freighter captains with smartphones and social media The World of Dew and Other Stories chosen by Michelle Pretorius as the 2020 Blue Light Books Prize winner invites readers into 18 different universes that have unexpected resonances with our own modern life While these tales are unabashedly sci fi and fantasy Julian Mortimer Smith approaches each at a curious angle Ghosts are cataloged using a Pok mon Go like app a soldier has to get enough upvotes on social media before he is allowed to take a shot and a golden age of cooperation begins as societies around the world prepare for a looming pandemic of blindness In addition to featuring stories that have appeared in some of the world's top speculative fiction outlets The World of Dew and Other Stories also includes five new stories published here for the first time These tales are sometimes terrifying sometimes touching sometimes provocative and occasionally very silly They function both as windows through which readers can glimpse vast universes waiting to be explored and as mirrors reflecting our own reality back at us in a strange and unfamiliar light **Mortal No** Frederick John Hoffman, 2015-12-08 Using examples from modern writers the author examines the impact of death using the concepts of grace violence and self Originally published in 1954 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Tomasso's Fortune and Other Stories* Henry Seton Merriman, 1904
