Pharmaceutical Public Policy Thomas R. Fulda, Alan Lyles, Albert I Wertheimer, 2016-04-14 As the most common health care intervention prescription drug use shares the most important characteristics of the health care system in the United States When everything works well it makes possible breathtakingly successful applications of science to the prevention and cure of human suffering But everything doesn't always work well Pharmaceu

American Hometown Renewal Gary Mattson, 2016-09-13 Before the interstates Main Street America was the small town's commercial spine and served as the linchpin for community social solidarity Yet during the past three decades a series of economic downturns has left many of the great small cities barely viable American Hometown Renewal is the first book to combine administrative budgetary and economic analysis to examine the economic and fiscal plight currently facing America's small towns Featuring a blend of theory applications and case studies it provides a comprehensive single source textbook covering the key issues facing small town officials in today's uncertain economy Written by a former public manager university professor and consultant to numerous small towns in the Heartland this book demonstrates the ways in which contemporary small towns throughout the nation are facing economic challenges brought about by the financial shocks that began in 2008 Each chapter explores a theme related to small town revival and provides a related tool or technique to enable small town officials to meet the challenges of the 21st Century Encouraging local small town officials to look at the economic orbit of communities in a similar manner as a town's budget or a family's personal wealth examining its specific competitive advantages in terms of relative assets to those of competing communities this book provides the reader with step by step instructions on how to conduct an asset inventory and apply key asset tools to devise a strategy for overcoming the challenges and constraints imposed upon spatially fixed communities American Hometown Renewal is an essential primer for students studying city management economic community development and city planning and will be a trusted handbook for city managers geographers city planners urban or rural sociologists political scientists and regional microeconomists

The NEW Employee Manual Benjamin Gilad, PhD, Mark Chussil, 2019-03-19 Welcome to Corporate Life The NEW Employee Manual is not your Dad's or Mom's employee manual It's the new playbook for corporate survival fitting today's realities and the challenges facing employees who join or work in large seemingly successful companies Those companies already issued very specific and detailed employee manuals covering everything under the sun except how to compete well in our brave new world The NEW Employee Manual will help you navigate the Corporate with a capital C labyrinth Where Corporate's manual shapes you into a dutiful cog for the good of the machine ours helps you enhance your career for the good of well you and your company The NEW Employee Manual should make you feel skeptical skeptical of empty slogans obsolete rituals obsessive pursuits and bigwigs playbooks that no longer work That alone should be worth this book's price Skepticism you see is a good thing because it is only the skeptic only the free thinker only the maverick who asks new questions and finds

useful answers So are you a maverick or a cog The President's Health Care Law Does Not Equal Health Care Access United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health,2015 *New Mythologies in Design and Culture* Rebecca Houze,2016-05-19 Taking as its point of departure Roland Barthes classic series of essays *Mythologies* Rebecca Houze presents an exploration of signs and symbols in the visual landscape of postmodernity In nine chapters Houze considers a range of contemporary phenomena from the history of sustainability to the meaning of sports and children s building toys Among the ubiquitous global trademarks she examines are BP McDonald s and Nike What do these icons say to us today What political and ideological messages are hidden beneath their surfaces Taking the idea of myth in its broadest sense the individual case studies employ a variety of analytic methods derived from linguistics psychoanalysis anthropology sociology and art history In their eclecticism of approach they demonstrate the interdisciplinarity of design history and design studies Just as Barthes meditations on culture concentrated on his native France *New Mythologies* is rooted in the author s experience of living and teaching in the United States Houze s reflections encompass both contemporary American popular culture and the history of American industry with reference to such foundational figures as Thomas Jefferson and Walt Disney The collection provides a point of entry into today s complex postmodern or post postmodern world and suggests some ways of thinking about its meanings and the lessons we might learn from it
