Simon Goodson

Wanderer Tainted Universe Simon Goodson:

Wanderer - Tainted Universe Simon Goodson, 2014-06-08 Running saved their lives It may doom the universe The Wanderer's escape has pushed the Empire too far Now Jess and his crew are being hunted with relentless precision and their only path to freedom leads through a narrow corridor of space under tight Imperial control Outgunned and outnumbered the crew must thread a deadly needle evading overwhelming Imperial forces But beyond the bottleneck the stars are not as they should be Imperial fleets are stretched thin Worlds lie abandoned Something even the Empire can't withstand is spreading and the Wanderer is flying straight into it **Wanderer** Simon Goodson, 2018-04-14 The Taint is spreading Nothing can stop it Nothing short of the destruction of the entire Universe and that's what the Wanderer's creators have set in motion Jess is faced with an impossible choice Stop the destruction and hand the universe to the Taint Or stop the Taint at the cost of everything The Wanderer is the only force capable of finding a third way but even it may not be enough With time running out and the life of the woman he loves hanging in the balance Jess races toward a solution which might not even exist And if it doesn't Jess will have to choose between erasing the universe or letting the Taint take it all Wanderer Extinction is the explosive fifth chapter in the Wanderer's Odyssey series where survival and sacrifice collide and freedom may demand an impossibly high price Wanderer - Rebellion Simon Goodson, 2024-08-24 Tarkus and Kaira aboard the legendary Wanderer are on a mission to expose the Pradagash Corporation's darkest secrets But when a freighter carrying thousands of freed slaves is sabotaged their plans are thrown into chaos Forced to seek refuge in the rebellious Stormharbour system they arrive just as a massive Corporation fleet closes in to crush all resistance With time running out Tarkus must face his deepest fears and Kaira her darkest trauma An old enemy is hunting them The rebellion is hanging by a thread And the fate of millions may depend on impossible choices Can they turn the tide and keep the rebellion alive Or will everything be crushed under the Corporation's might Prepare for a pulse pounding adventure where the line between hope and despair blurs and every decision could mean the difference between freedom and annihilation The rebellion starts now **Wanderer's Odyssey Books 1 to 3** Simon Goodson, 2019-03-26 One slave One ship One chance for freedom To the Empire the ship was just another derelict booby trapped wreck To Jess a young slave it was a death sentence But the ship had other plans When Jess takes the pilot's seat the ancient vessel awakens a powerful self-aware craft lost to legend Seizing the moment Jess escapes Imperial control and vanishes into the stars Now he's on the run in a ship that shouldn't exist hunted by a ruthless empire that will stop at nothing to reclaim it Jess should disappear into deep space and never look back But when calls for help echo through the void he finds he can't ignore them With freedom in his grasp and a starship of unimaginable power at his command Jess can make a difference If he lives long enough This box set includes the first three books in the Wanderer's Odyssey series a thrilling sci-fi saga filled with high stakes adventure ancient technology and the enduring fight for freedom In the end I was gripping the arms of my chair as I rooted for the heroes A fast-paced can't put it down sci-fi One of the best

books I've read this year Hellfire - Tyranny Simon Goodson,2020-10-20 Hunted for information he doesn't have Drake's only option is to run Drake is used to being the hunter not the hunted He spends his time destroying hellships not fleeing from humans But everything has changed now The Phoenix Conglomerate and the most feared pirate across a thousand systems are both convinced Drake has learnt the secret of how hellships are created and both want that prize So Drake and the Dagger's crew must run and Drake is wrestling with a different secret One which endangers his entire crew One he knows he must never share and which is likely to lead to the deaths of everyone under his command Will he escape Grab Hellfire Tyranny and find out for yourself **Hellfire - Autonomy** Simon Goodson,2020-10-20 The worst has happened Drake has failed his crew They don't know it yet but they will soon and when they find out things will get ugly As if wrestling with the life changing disaster he's inflicted on his crew isn't enough he still has the Phoenix Conglomerate and a powerful pirate fleet both pursuing him and the Dagger Both know the crystal in his possession is linked to bringing new hellships into existence He would rather die than let either get their hands on it With darkness everywhere Drake has only one option left one which risks him becoming something far worse than any of his enemies Can he resist the dark temptation Or will he give in dooming himself and his crew to darkness forever Will he survive Grab Hellfire Autonomy today and find out **SciFi Shorts - Collection One** Simon Goodson,2022-01-22 Come in take a seat by the antimatter heater and don't worry about the buzzing it's supposed to do that Honestly If you came here looking for SciFi and Fantasy short stories as well as some which don't fit easily into any category then you're in the right place STARSHIPS GHOSTS DANGER The Panther's captain doesn't believe in ghosts but that doesn't stop them coming aboard Can the captain overcome his disbelief in time to save his ship Starflare Universe Ghosts DESPERATELY SEEKING A LOST RELATIVE Theodore will go to any lengths to find out what happened to his missing nephew Jimmy and he's certainly not going to let any folk tales about monsters scare him off That was his first mistake The Disappearance of Jimmy Trent BE CAREFUL WHERE YOU LOOK Sometimes what looks back from the mirror isn't truly you What is it Life or death Dark Reflections If you love fast paced science fiction exciting fantasy and being transported to worlds far stranger than our own then you need to read this collection of stories from SciFi Shorts.com today Sit back relax maybe move a little further from the antimatter heater and enjoy Tagrale - Desolate Stars Simon Goodson,2022-03-12 Jenna spent her entire life wanting to travel to new star systems now she has and it's likely to be the death of her When a Tagrale activated in the Sironus system for the first time in thousands of years Jenna sent her ship through despite the ship being sabotaged those who wanted her dead having just gone through and having no idea at all where it would take her It was an impulsive decision one she may regret it for the rest of her life which might be much shorter than she'd always expected Unless she can survive the Desolate Stars Wanderer - Origins Simon Goodson,2015-10-10 Hunted by a powerful Imperial fleet and with his friends infected by the Taint Jess has only one place to turn the homeworld of his remarkable ship the Wanderer But his journey will reveal far more than just the Wanderer's

origins and both the Empire and the Taint are ready to strike at any moment Jess expects to learn how things began What he discovers reveals how the universe may end an end which has already begun Wanderer Origins unearths the buried truths of the past and points toward a future that may already be lost Hellfire - Treachery Simon Goodson,2020-10-20 Don t Get Caught The only thing worse than fighting a Hellship powerful starships controlled by entities of pure evil is being captured by one Drake s sister was taken by the hellship Azimuth dooming her to a life of pain followed by an agonising death Unless Drake can save her Tales of his quest are told across hundreds of systems but Drake doesn t care All he wants is to stop the Azimuth continuing with its reign of evil and keep his promise to his sister No matter the cost Will he succeed Grab Hellfire Treachery today and find out for yourself

Right here, we have countless book **Wanderer Tainted Universe Simon Goodson** and collections to check out. We additionally pay for variant types and moreover type of the books to browse. The standard book, fiction, history, novel, scientific research, as competently as various supplementary sorts of books are readily easy to use here.
