Heaven on Our Side! Glenda Ann Abell, 2011-06 Heaven On Our Side Believe In It It Will Take You There This is a book of stories that will tell you about my journey into Psychic Medium Awareness and how it came about I was a fifty year old woman who hated and feared everything I was a recovering alcoholic of thirteen years I had been married and divorced three times I had failed at being a Mother Mother in law Grandmother Daughter Aunt and Sister My life still was in total turmoil I had low self esteem felt worthless and had lived a life of abuse The abuse was not only from others but also from me to me After thirteen years of sobriety I felt my life was no better than when I was drunk I felt useless and had even contemplated suicide again It was the day I went to see a well known medium at one of his Seminars in Virginia that changed my life forever My journey through the Psychic Medium Study was not easy at all There were many times I wanted to walk away from all this but I somehow would be drawn right back It was the intent and desire of wanting this that kept me going I wanted to learn and to give to others I wanted to teach them what so many others along the way had given to me I was given a second chance I was given a new way of life There were no Psychic Medium Awareness Spiritualist Churches Development Groups or anyone else studying the Psychic Medium Awareness locally to my knowledge at the beginning of my journey I read studied and practiced a well known professional medium s materials to learn from including his books TV shows movies CD s tapes website resource page chat logs and interviews to gain more knowledge about Psychic Medium Awareness Then I

ventured out into other spiritual circles online participated in chats read other books and learned from others I studied anything that had to do with the Psychic Medium Awareness As I tell my stories I will also be speaking of others that inspired me along the way and gave me the courage to continue on my path of the Psychic Medium Studies I tell this now because these same wonderful people are still in my life and will be mentioned time and again in my other books They continue to help me through the good times and the bad Many people that knew me all my life could not believe I was a Medium There was so many around me at this time that did not believe in Psychic Medium Awareness We are all psychic to some degree is what I was taught Today I teach this also I hope my story will inspire others to search and find their true self as I have done and to learn exactly all they can become I was told in the beginning in Alcoholics Anonymous that I had to get to the bottom in order to be willing to get sober and stay sober Recently in a detailed reading from Alison Baughman Visible by Numbers she tells and explains in a life chart number reading how each step of my life went Not only from my past in between and present but how my life would unfold in the future Alison even told me how I would be moving forward from the day of her reading to me on the phone So far everything that was said has been totally accurate Right today I am living what she predicted Alison also told me that I had to experience everything I did to be able to help and teach others This reminds me of what my Father always said You have to walk in another man woman s shoes to truly know him her I had to experience loses struggles and trials I needed to do this and help others from my experiences to help them work through theirs I guess we could say I was to learn compassion empathy and unconditional love In the stories that follow it may seem I am scattered It was recommended to me to be more organized in the stories However the way it happened was all scattered confusing and sometimes scary I wrote what came to me in the order that it came to me I hope the ones who read this book will keep in mind that I am not the most educated person This is my fault I know I am hopeful that all who read this book will find inspiration and insight rather than focus on my writing ability and mistakes in this book I start off my book with The Fatal Plane Crash the prologue for that was when I first started seeking answers to what happened to me that night Join me in my journey and see how I found out the answer that I was searching to find for years Namaste May the Divinity in you find the Divinity in me May the Divinity in me find the Divinity in you
