Promoting Diversity and Social Justice Diane J. Goodman, 2011-05-15 Promoting Diversity and Social Justice gives theory perspectives and strategies that are useful for working with adults from privileged groups on diversity and social justice issues

When Your Children Marry Deborah M. Merrill, 2011-05-05 Marriage is an important transition in the life of any adult who marries But often when a son or daughter gets married their relationships with their natal families changes It is often said that a daughter is a daughter all of her life but a son is a son til he takes him a wife This book examines how marriage changes relationships between adult children and their parents and how this differs for sons versus daughters Merrill considers the process by which men get pulled into their wives families and the ways in which men are sometimes more connected to their wives families following marriage than to their own families But what is it about a relationship with a son that changes when he marries And why do daughters tend to stay closer Why do mothers experience greater difficulty in negotiating relationships with married sons than with married daughters Why do daughters tend to stay closer and maintain stronger ties to their natal families than sons do This book answers these questions and offers advice for mothers on how to maintain strong ties with their children when they marry negotiate relationships that may be fraught with new challenges and accept changes when they happen Sharing firsthand accounts from mothers sons and daughters the author sheds new light on this neglected topic

Violent Trauma, Culture, and Power Michelle Walsh, 2017-02-16 This book is an interdisciplinary exploration of the intertwining impact of violent trauma culture and power through case studies of two ministries serving in different demographic contexts within the United States Mass shootings continue to rise in the United States including in religious and school contexts and the U S also is ground zero for the now international Black Lives Matter movement The author shows how all forms of violent trauma impact more than individuals devastating communal relationships and practices of religious or spiritual meaning making in the aftermath and assesses how these impacts differ according to lived experiences with culture and power Looking at the two ministries an urban grassroots lay ministry organization that serves surviving family members in the aftermath of

homicide and a denominational ministry that served a church in the aftermath of a political and religiously motivated shooting the author develops trauma specific interdisciplinary tools for lived religion studies This book powerfully utilizes an intersectional lens to highlight the inter interconnections to be found for those working in faith communities as well as mental health Walsh provides the reader with an opportunity to explore and develop theoretical and practice perspectives that include race and ethnicity religion and spirituality social class and ability sexual orientation immigration and refugee status and explores the impact that oppression and discrimination have on our communities and society I highly recommend this book for those who are engaged in working to combat domination at the local national and global levels Gary Bailey Simmons College USA

[The Virtuous Psychiatrist](#) Jennifer Radden, John Sadler, 2010-01-07 The practice of psychiatric care for those with severe mental disorders is the focus of this interdisciplinary work by a philosopher and a clinician In elucidating the moral psychology and character called for by that setting The Virtuous Psychiatrist offers a sustained application of virtue theory to the particular practice of psychiatry

Meaning in Action Toshio Sugiman, Kenneth J. Gergen, Wolfgang Wagner, Yoko Yamada, 2008-04-10 are far from genetically xing what behavioral preferences they may possess Instead learning mechanisms offer a exible way of attaining locally important cultural knowledge within temporal windows of opportunity as has been convi ingly shown by research in language and culture attainment Similar mechanisms are likely to exist for other social capacities such as mate preferences for example It is this role of our biological inheritance that social science must appreciate in order to furnish a more complete understanding of human behavior Within the natural range of variation of capacities and armed with biologically conditioned learning mechanisms we live out lives of meaning in which we hold some things to be real rational valuable or morally right and others not It is this world of meaning in which we nd love and hate struggles for justice power and money and the dramas that lend to life both its depth and passion
