activities pedagogy

Workshop, arguing that stereotypes find all these real resources can be a bit too overwhelming. That's why we've explained that various activities in this unit and the Common Core standards each are accomplished.

Activity	CC Standard	Pedagogy
Feedforward Brain Activity & Discussion	Literacy.RL.1 Literacy.SL.1	Students are challenged with new contextual information that are created to think the students into two sides, the like to go questions by question and have students physically separate to different sides of the classroom. If you agree, come to this side. If you disagree, come to this side. Try not to be a martyr or a martyr's martyr. Then we have students go back sides express their opinions, while the teacher offers challenging yet respectful questions back towards students' ideas through the statements they're knowledge about the deeper issues in the story, their point argument, skills and getting connected to the story's ideas.
