To Become A Human Being The Message Of Tadodaho Chief Leon Shenandoah:

To Become a Human Being Leon Shenandoah, Steve Wall, 2002-02 Draws on taped conversations with Tadodaho Chief Leon Shenandoah a spiritual leader and high chief among the Six Nations Iroquois Confederacy to explore Native American wisdom on the importance of people living in close physical and spiritual communion with the earth **To Become a Human Being** Steve Wall, 2001-10-01 Once our ancestors lived in physical and spiritual communion with Mother Earth While much of humanity has lost this accord with nature the Native American way of life has kept its people close to their living roots Steve Wall who has explored Native American spirituality through writing and photography believes we need to be reminded of our origins and our incredible potential as a species To Become a Human Being to rise to an expanded level of consciousness by living on the Earth as it was intended for us to live captures the essence of Native American wisdom through the words of Tadodaho Chief Leon Shenandoah Wall enhances the message of Shenandoah cherished friend high chief among the Six Nations Iroquois Confederacy and revered spiritual leader with dramatic photographs *The Cost of Globalization* Julian E. Kunnie, 2015-04-23 The issues arising from rapid global integration have generally been treated in isolation by most academic works This volume examines the many pitfalls of globalization from the perspective of impoverished and indigenous peoples including the widening wealth gap the struggle for restoration of dispossessed lands and cultural rights global warming and ecological annihilation and the experiences of women in underdeveloped regions The United States growing prison industrial complex is discussed The author concludes with a call for reassessing current ways of living and proposes recreating cultures of conservation and sustainable economies Instructors considering this book for use in a course may request an examination copy here **Restoring the Kinship Worldview** Wahinkpe Topa (Four Arrows), Darcia Narvaez, PhD, 2022-04-12 Selected speeches from Indigenous leaders around the world necessary wisdom for our times nourishment for our collective and a path away from extinction toward a sustainable interconnected future Indigenous worldviews and the knowledge they confer are critical for human survival and the wellbeing of future generations Editors Wahinkpe Topa Four Arrows and Darcia Narvaez present 28 powerful excerpted passages from Indigenous leaders including Mourning Dove Robin Wall Kimmerer Winona LaDuke and Xiuhtezcatl Martinez Accompanied by the editors own analyses each chapter reflects the wisdom of Indigenous worldview precepts like Egalitarian rule versus hierarchical governance A fearless trust in the universe instead of a fear based culture The life sustaining role of ceremony Emphasizing generosity and the greater good instead of pursuing selfish goals and for personal gain The laws of nature as the highest rules for living The editors emphasize our deep need to move away from the dominant Western paradigm one that dictates we live without strong social purpose fails to honor the earth as sacred leads with the head while ignoring the heart and places individual rights over collective responsibility Restoring the Kinship Worldview is rooted in an Indigenous vision and strong social purpose that sees all life forms as sacred and sentient that honors the wisdom of the heart and grants equal

standing to rights and responsibilities All author proceeds from Restoring the Kinship Worldview are donated to Indigenous non profit organizations working on behalf of Indigenous Peoples Inviting readers into a world sense that expands beyond perceiving and conceiving to experiencing and being Restoring the Kinship Worldview is a salve for our times a nourishment for our collective and a holistic orientation that will lead us away from extinction toward an integrated sustainable future

The Frog King and the children of Frya Guido Eickhoff,2024-11-18 The Frog Prince shows the world its true face Not just written for children but for adults who are looking for enlightenment and meaning The hidden knowledge of generations is coming more and more to light Fairytales are messages from your ancestors the content of which is not immediately apparent The Frog Prince for example shows the meaningful steps that individuals can take towards a freer and more successful life and a peaceful society with surprising wisdom that explains our origins and offers solutions for the future The book builds a bridge between cultural tradition and wisdom combined with the scientific knowledge of modern times

The Divine Feminine in Ancient Europe Sharon Paice MacLeod,2013-12-23 This book is an exploration of the spiritual traditions of ancient Europe focusing on the numinous presence of the divine feminine in Russia Central Europe France Britain Ireland and the northern regions Drawing upon research in archaeology history sociology anthropology and the study of religions to connect the reader with the myths and symbols of the European traditions the book shows how the power of European goddesses and holy women evolved through the ages adapting to climate change and social upheaval but continually reflecting the importance of living in an harmonious relationship with the environment and the spirit world From the cave painting of southern France to ancient Irish tombs from shamanic rituals to Arthurian legends the divine feminine plays an essential role in understanding where we have come from and where we are

going Comparative examples from other native cultures and quotes from spiritual leaders around the world set European religions in context with other indigenous cultures

The Urgency of Indigenous Values Philip P. Arnold, 2023-09-15 In this book Philip Arnold utilizes a collaborative method derived from the Two Row Wampum 1613 and his 40 year relationship with the Haudenosaunee in exploring the urgent need to understand Indigenous values support Indigenous Peoples and to offer a way toward humanity's survival in the face of ecological and environmental catastrophe Indigenous values connect human beings with the living natural world through ceremonial exchange practices with non human beings who co inhabit the homelands Arnold outlines Indigenous traditions of habitation and ceremonial gift economies and contrasts those with settler colonial values of commodification where the land and all aspects of material life belongs to human beings and are reduced to monetary use value Through an examination of the Doctrine of Christian Discovery a series of fifteenth century documents that used religious decrees to justify the subjugation and annihilation of Indigenous Peoples Arnold shows how issues such as environmental devastation social justice concerns land theft and forced conversion practices have their origins in settler colonial relationships with the sacred that persists today Designed to initiate a conversation in the classroom in the academy and in various communities about what is essential to the category of Indigeneity this book offers a way of understanding value systems of Indigenous peoples By pairing the concepts of Indigeneity and religion around competing values systems Arnold transforms our understanding of both categories

Who Are These People Anyway? Irving Powless, 2016-03-08 In the rich tradition of oral storytelling Chief Irving Powless Jr of the Beaver Clan of the Onondaga Nation reminds us of an ancient treaty It promises that the Haudenosaunee people and non Indigenous North Americans will respect each other's differences even when their cultures and behaviors differ greatly Powless shares intimate stories of growing up close to the earth of his work as Wampum Keeper for the Haudenosaunee people of his heritage as a lacrosse player and of the treaties his ancestors made with the newcomers He also pokes fun at the often peculiar behavior of his non Onondaga neighbors asking Who are these people anyway Sometimes disarmingly gentle sometimes caustic these vignettes refreshingly portray mainstream North American culture as seen through Haudenosaunee eyes Powless illustrates for all of us the importance of respect peace and most importantly living by the unwritten laws that preserve the natural world for future generations

Debunking the Grit Narrative in Higher Education Angela M. Locks, Rocío Mendoza, Deborah Faye Carter, 2023-11-20 Debunking the Grit Narrative in Higher Education examines pressing structural issues currently impacting African American Asian American Pacific Islander Latinx and Native American students accessing college and succeeding in U S postsecondary environments Drawing from asset based work of critical race education scholars such as Yosso Ladson Billings and contributing author Sol rzano the authors interrogate how systems and structures shape definitions of academic merit and grit how these systems constrain opportunities to attain access and equitable educational outcomes and challenge widely held beliefs that Students of Color need grit to succeed in college Dominant narratives of

educational success and failure tend to focus mostly on individual student effort Contributing authors explore the myriad ways that institutional structures can support Students of Color utilizing their strengths through critical perspectives asset based anti deficit perspectives to access postsecondary environments and experience success Scholars scholar practitioners students affairs professionals and educational leaders will benefit from this timely edited book as they work to transform postsecondary institutions into entities that meet the needs of Students and Communities of Color
