To Wake The Dead Jason Strange:

Jason Strange: To Wake the Dead Jason Strange,2014 Wouldn t you like to go to the movies forever **To Wake the Dead** Jason Strange,2011 Grant is invited the attend a midnight horror movie by a ghost but will he be able to leave *To Wake the Dead* Jason Strange,2011 Grant is invited the attend a midnight horror movie by a ghost but will he be able to leave

Dragon Time John Doyal,2025-03-21 Jason an orphan with no known family went from street urchin to apprentice wizard Then he met a dragon Was he just lunch for a myth or had he met his first real friend Whichever this the start of his destiny War was coming the first war that The Kingdom has had in hundreds of years the first war on Hector between dragons wizards and a batch of semi trained orphans and boy did the Kingdom needed them to grow up fast *The Book of the Undead A Zombie Film Guide* Terry Rowan,2014-08-16 Since The Night of the Living Dead screen Zombies have become increasingly bizarre bloodthirsty yes even cannibalistic A complete film guide to all your favorite undead zombie and the living dead films Interesting stories behind the scenes and a list of my favorite zombie films One thing is for sure Zombies in various forms remain very much alive in the movies and in audiences imagination like yours and mine I want to eat your brains **The Dead Man** David L. Carter,2019-09-06 Jason is a quiet boy but when he finds his cousin Shelby s old ouija board he finds plenty to say and none of it pleasant Unaware of his own considerable psychic gifts Jason and his cousin are soon forced to contend with the particularly nasty spirit of a long dead Confederate soldier and a curse that has sown discord in the family for generations Gripping and suspenseful The Dead Man is at once a tale from the crypt and a story about how the ghosts of the past once they emerge into consciousness have the tendency to force a reckoning that can make or break family ties Scramble on the Edge Kerry L. Hyman,2009-02 Wrestling is one of the most grueling combative contests in sports The challenge is the one on one battle inside the 38 circle It can be a tough challenge that takes everything you have both physically and mentally What does it take to train and condition to compete against the best straining every fiber against a determined skilled adversary for six long minutes What price are you willing to pay to prepare for such a battle When have you done enough to gain that rare commodity confidence Let Kerry L Hyman s Scramble on the Edge take you on a fascinating wrestling adventure The story revolves around a bunch of high school wrestlers who work hard to reach their wrestling goals set in a town whose in crowd finds their fulfillment in the pursuit of instant gratification Driven by the fanatical coach of the feeder program whose passion is fueled from the regrets of his own squandered youth they buy into a radical wrestling commitment that propels them to the top The story focuses on Jason Grable a wrestler who has done everything right in his pursuit of a State Wrestling Title only to find adversity from places he never expected a jealous co captain an indifferent school culture academic deadlines and time restraints a girlfriend who doesn t get it and even his high school coach Everything comes to a head during his final post season juggling crisis upon crisis careening on a collision course with the returning State Champ It is a story about wrestling but it is a compelling study of the energy it takes to

propel a program from obscurity to the top and the human bonds forged in an atmosphere of total commitment love and the power of friendship It is also a story of betrayal and the politics of high school sports *Damning the Dead* Kerry Blaisdell,2022-01-05 Hyacinth Finch s life after death just got more complicated High on her to do list Stop Satan from stealing any more of Archangel Michael s powerful relics marshal her Dead Army of two thousand souls and recapture dozens of escaped Hell Demons to prevent six thousand dead Nazis from wreaking havoc in the world And on top of all that her onetime ghost boyfriend has hijacked the body of a former German militant which has its ups and downs for their relationship Then just when things seem to be under control her nephew Geordi s powers start leaking out and Hyacinth s own begin to change She must discover where their abilities originated But as she digs deeper will the truths she uncovers do more harm than good And more importantly can she figure it out before Satan escapes from Hell and takes Geordi for himself *Driving Mr. Dead* Molly Harper,2012-01-31 A standalone novella introducing a new side of Half Moon Hollow featuring a freewheeling courier and the stuffy vampire she has to transport Miranda Puckett has failed at every job she s ever had Her mother just wants her to come home join the family law firm and settle down with Jason the perfect lawyer boyfriend But when Jason turns out to be a lying cheater Miranda seizes on a job that gets her out of town long distance vampire transportation Her first assignment is to drive vampire Collin Sutherland from Washington to sleepy Half Moon Hollow without incident no small feat for a woman whom trouble seems to follow like a faithful hound dog And she has to do it without letting her passenger the most persnickety stuffy devastatingly handsome vamp she s ever met drive her crazy As she and Collin find disaster on the roads they also find an undeniable spark between them Could Miranda have found the perfect job and the perfect guy for her The River Flows On Ivan Watson,2020-06-15 The River Flows On is a story of two places Guyana and Brooklyn US It sets out the tale of the main character a young man born into a riverain family with a rich heritage who is conflicted about his family and the river and delves into his relationships and actions that culminate into a downward spiral The struggle to survive in both places and a small part of the unheralded and oftentimes overlooked narrative of many Caribbean immigrants in their quest for a better life in the US are essential to the telling of this story The river is ever present in one way or another in the life of our main character despite his ambivalence The promise of his poetic talent and the affection and love from others breathe energy into his characterization Finally the contrasting outcomes for the featured actors in The River Flows On is a study in the vagaries and seeming contradictions of life that are at times confusing and incomprehensible For some the river is just another body of water flowing to the Atlantic for others it represents a vital living creation of endless virtue to be tapped for all time
