To God Be The Glory Is Your Church On Target

Bob Sjogren, Kevin M. Kimbrough

To God Be The Glory Is Your Church On Target:

To God Be the Glory Michael R. Privett, 2005 To God Be the Glory examines the biblical mission of the church as revealed in the New Testament and explains how a church can thrive by regaining its sense of purpose Provided by publisher **Why on Earth Are There Churches?** Michael R. Privett, 2012-08-21 After years of observation I have concluded that so many local churches function without regard to their God given biblical mission and objectives because of their unclear mission their unbiblical targets or their unbalanced objectives The Lord God has already given His church a clearly defined mission for the present age Yet so many local churches seem to function without understanding their biblical mission their God directed reason for existence while other local churches and their leaders have revised or even compromised their God given mission thinking that they know better than God Some churches disband Sunday school dismantle the choir and disassemble pews only to replace them with other programs and ideas that will become traditional soon enough Traditions customs and worship styles vary from culture to culture and from generation to generation I've been in the gospel ministry long enough to have seen the pendulum swing back and forth a time or two So many ministries programs concepts and styles are not new but just repackaged Today's new fresh blended methods will become traditional to the next generation after a short period of time Too often we are more involved in following the latest fad than we are in striving to do all to the glory of God What really matters is whether you have presented a true and accurate opinion and view of the nature and character of God so that others will praise and exalt Him to His worthy place of honor esteem and excellence The Church on Target Joe S. Ellis, 1986 On Target Paul D. Cairney, 2010-11-18 It may sound contradictory to be a leader in the military and a follower of Jesus Christ but if you commit yourself to following God first He will work through you as a leader to accomplish His will in amazing ways It is no accident that you are where you are as a leader in the military God knows what he wants to accomplish through you The Holy Bible has much to say to you as a leader in today's military There are many books on military leadership and many books on Christian leadership but this book explores that amazing challenge if you want to serve God and excel as a leader in the Armed Forces While this book looks at military leadership in particular any novice or experienced leader in any field can apply the Biblical leadership principles explored here in this book God's Word speaks volumes to leaders who want to fully live the life God has called them to even in such a challenging environment as the battlefield Read on What you find might surprise you Kingdom Man Devotional Tony Evans, 2013-09-20 God wants to prepare you kingdom man for a big bold and adventurous life Kingdom Man Devotional is based on the principles and concepts presented in the book Kingdom Man For the man who wants to be the leader that God has called him to be this 90 day devotional will help him explore the scriptural mandate to exercise dominion and take responsibility over the various areas of his life This daily devotional will challenge and encourage men to embrace their role of provider protector cultivator champion visionary and leader discipling them in the areas of responsibility and spiritual authority Packed with wisdom for men of any age each

day of this devotional includes A brief reading designed to help you embrace biblical masculinity Questions to help you put the information into action and experience spiritual growth A short prayer to help you connect with God even on your busiest days Kingdom Man Devotional challenges and equips men to fully understand their position under God and their position over what God has given them while empowering them to initiate the practical implementation of Christian leadership principles Purpose, Position Assigned by God!
