The Story of Pixar Animation Studios

By Kevin Pels

To Infinity And Beyond The Story Of Pixar Animation Studios

David Lester

To Infinity And Beyond The Story Of Pixar Animation Studios:

To Infinity and Beyond! Karen Paik, 2007-11 Chronicles the history of the studio from its origins through the success of such features as Toy Story and Finding Nemo to its merger with Disney and includes interviews with animators business executives and industry insiders

To Infinity and Beyond! Karen Paik, 2015-11-03 In 1986 gifted animator John Lasseter technology guru Ed Catmull and visionary Steve Jobs founded Pixar Animation Studios Their goal create a computer animated feature despite predictions that it could never be done An unprecedented catalog of blockbuster films later the studio is honoring its history in this deluxe volume From its fledgling days under George Lucas to ten demanding years creating Toy Story to the merger with Disney each milestone is vibrantly detailed Interviews with Pixar directors producers animators voice talent and industry insiders as well as concept art storyboards and snapshots illuminate a history that is both definitive and enthralling

The Wisdom of Pixar Robert Velarde, 2010-08 Kids and adults alike love Pixar s movies We come out of the theater not just entertained or amused but inspired Everybody agrees Pixar makes fun clean terrific movies But what makes these movies so appealing is not merely amazing CGI animation clever humor or fantastic imagination These movies are not just great Pixar s movies are goo

How They Started Digital David Lester, 2012-06-22 Bringing to life the stories behind the world s most successful digital businesses How They Started Digital showcases profiles from gaming companies to social media brands Giving insight and inspiration each profile reveals how each idea originated and became the success it is today

Toy Story and the Inner World of the Child Karen Cross, 2022-12-30 Toy Story and the Inner World of the Child offers the first comprehensive analysis of the role of toys and play within the development of film and animation The author takes the reader on a journey through the complex interweaving of the animation industry with inner world processes beginning with the early history of film Karen Cross explores digital meditations through an in depth analysis of the Pixar Studios and the making of the Toy Story franchise The book shows how the Toy Story functions as an outlet for exploring fears and anxieties relating to new technologies and industrial processes and the value of taking a psycho cultural approach to recent controversies surrounding the film industry particularly its cultural and sexual politics The book is key reading for film and animation scholars as well as those who are interested in applications of psychoanalysis to popular culture and children s media

Discussing Disney Amy M. Davis, 2019-12-01 These scholarly essays examine Disney s cultural impact from various perspectives including film studies history musicology gender and more The academic field of Disney Studies has evolved greatly over the years as the twelve essays collected in this volume demonstrate With a diversity of perspectives and concerns the contributors examine the cultural significance and impact of the Disney Company s various outputs such as animated shorts and films theme park attractions television shows books music and merchandising By looking at Disney from some of its many angles including the history and the persona of its founder a selection of its successful and not so successful films its approaches to animation its branding and fandom and its reception and

reinterpreted within popular culture Discussing Disney offers a more holistic understanding of a company that has been and continues to be one of the most important forces in contemporary culture Simple Rules Donald Norman Sull, Kathleen M. Eisenhardt, 2015 Outlines an approach to high performance problem solving and decision making that draws on insights from survival guides pop culture and other sources *Becoming Steve Jobs* Brent Schlender, Rick Tetzeli, 2015-03-24 The 1 New York Times bestselling biography of how Steve Jobs became the most visionary CEO in history *Becoming Steve Jobs* breaks down the conventional one dimensional view of Steve Jobs that he was half genius half jerk from youth an irascible and selfish leader who slighted friends and family alike *Becoming Steve Jobs* answers the central question about the life and career of the Apple cofounder and CEO How did a young man so reckless and arrogant that he was exiled from the company he founded become the most effective visionary business leader of our time ultimately transforming the daily life of billions of people Drawing on incredible and sometimes exclusive access Schlender and Tetzeli tell a different story of a real human being who wrestled with his failings and learned to maximize his strengths over time Their rich compelling narrative is filled with stories never told before from the people who knew Jobs best including his family former inner circle executives and top people at Apple Pixar and Disney most notably Tim Cook Jony Ive Eddy Cue Ed Catmull John Lasseter Robert Iger and many others In addition Schlender knew Jobs personally for 25 years and draws upon his many interviews with him on and off the record in writing the book He and Tetzeli humanize the man and explain rather than simply describe his behavior Along the way the book provides rich context about the technology revolution we've all lived through and the ways in which Jobs changed our world A rich and revealing account *Becoming Steve Jobs* shows us how one of the most colorful and compelling figures of our times was able to combine his unchanging relentless passion with an evolution in management style to create one of the most valuable and beloved companies on the planet *Historical Dictionary of American Cinema* M. Keith Booker, 2021-06-01 One of the most powerful forces in world culture American cinema has a long and complex history that stretches through more than a century This history not only includes a legacy of hundreds of important films but also the evolution of the film industry itself which is in many ways a microcosm of the history of American society *Historical Dictionary of American Cinema* Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries covering people films companies techniques themes and subgenres that have made American cinema such a vital part of world culture Selling the Silver Bullet Avi Santo, 2015-04-15 Originating as a radio series in 1933 the Lone Ranger is a cross media star who has appeared in comic strips comic books adult and juvenile novels feature films and serials clothing games toys home furnishings and many other consumer products In his prime he rivaled Mickey Mouse as one of the most successfully licensed and merchandised children's properties in the United States while in more recent decades the Lone Ranger has struggled to resonate with consumers leading to efforts to rebrand the property The Lone Ranger's eighty year history as a lifestyle brand thus offers a perfect case

study of how the fields of licensing merchandizing and brand management have operated within shifting industrial and sociohistorical conditions that continue to redefine how the business of entertainment functions Deciphering how iconic characters gain and retain their status as cultural commodities *Selling the Silver Bullet* focuses on the work done by peripheral consumer product and licensing divisions in selectively extending the characters reach and in cultivating investment in these characters among potential stakeholders Tracing the Lone Ranger s decades long career as intellectual property allows Avi Santo to analyze the mechanisms that drive contemporary character licensing and entertainment brand management practices while at the same time situating the licensing field s development within particular sociohistorical and industrial contexts He also offers a nuanced assessment of the ways that character licensing firms and consumer product divisions have responded to changing cultural and economic conditions over the past eighty years which will alter perceptions about the creative and managerial authority these ancillary units wield
