To Touch The Stars Founding Of The Federation 2:

Star Trek, History and Us A.J. Black, 2021-04-12 Since 1966 the Star Trek television franchise has used outer space and the thrilling adventures of the crews of the U S S Enterprise to reflect our own world and culture Kirk and Spock face civil rights issues and Vietnam war allegories while Picard Data and the next generation seek an ordered post Cold War stability in the Reagan era The crews of Deep Space Nine Voyager and Enterprise must come to terms with our real life of war manifest destiny in the 21st century and the shadow of 9 11 Now as the modern era of the franchise attempts to portray a utopia amidst a world spinning out of control Star Trek remains about more than just the future It is about our present It is about us This book charts the history of Gene Roddenberry s creation across five decades alongside the cultural development of the United States and asks are we heading for the utopian Federation future or is it slipping ever further away from reality

The Morning Star and Free Baptist ,1909 Star Trek: The Original Series: Errand of Fury #2: Demands of Honor Kevin Ryan, 2007-01-30 The U S S Enterprise faces a deadly battle with the Klingon Empire in this thrilling Star Trek novel The United Federation of Planets and the Klingon Empire stand on the brink of war Captain James T Kirk and the U S S Enterprise are sent back to System 7348 the site of a previous skirmish with the Klingons for a confrontation with the I K S D k Tahg under the command of Captain Koloth Even as the two great ships face each other trouble is brewing among their crews On the Enterprise Lieutenant Leslie Parrish is pregnant with a half Klingon child and must face a critical decision about her future while Section Chief Michael Fuller still carries the wounds of the twenty five year old Battle of Donatu V of which he was one of the few survivors not to mention his grief over the death of his son recently killed in battle against the Klingons On the D k Tahg First Officer Karel finds himself trapped between the scheming dishonorable Councilor Duras and his commanding officer Koloth While the stakes only seem to be the possession of a single star system the ramifications may spread throughout the Klingon Empire as they find themselves at a crossroads between conquest and honor **Star Trek: The Next Generation: Triangle: Imzadi II** Peter David, 2000-09-22 Imzadi to the people of the planet Betazed including Counselor Deanna Troi of the Starship Enterprise it means beloved and denotes a special closeness that can never be truly broken Or can it In his acclaimed earlier novel Imzadi bestselling author Peter David explored the special bond between Deanna Troi and Commander William T Riker It revealed new facets of their long and intimate relationship and put that bond to its ultimate test in a powerful and unforgettable story that remains one of the most popular Star Trek adventures ever published Now David examines the heart of Deanna Troi from an altogether different perspective as he reveals for the first time the full story of Troi s troubled romance with Lieutenant Commander Worf At first glance they cannot be more different She is an empath gentle and acutely sensitive to the needs and feelings of others He is a fierce Klingon warrior dedicated to a harsh and warlike code of honor Brought together however by a common need to care for Alexander Worf s troubled motherless son they discover hidden reserves of courage and compassion within each other Soon mutual respect leads to

much stronger emotions as they embark on an unexpected courtship much to the surprise and discomfort of William Riker But does Worf's future truly lie with Deanna or on a distant outpost called Deep Space 9 And whom indeed shall Troi ultimately call imzadi Imzadi II is a compelling story an untold chapter in the history of the Starship Enterprise Star Trek: Discovery: Somewhere to Belong Dayton Ward, 2023-05-30 Captain Michael Burnham and the crew of the USS Discovery are finding that each day is a critical adjustment to their new lives and new missions in an Alpha Quadrant more than nine hundred years in the future Discovery is reconnecting with various worlds where the cataclysmic event known as the Burn has decimated Starfleet and with it the United Federation of Planets As the crew struggles to come to terms with their present reality their devotion to duty hides the emotional stress that could impact their effectiveness and even threaten themselves or others Then Discovery picks up a distress signal located in a nearby star a plea that harbors roots from their past lives in the 23rd century The signal leads to an entirely new crisis plunging them all into mortal danger adapted from back cover **Star Trek: First Contact: The Making of the Classic Film** Joe Fordham, 2022-10-11 An in depth look at the making of Star Trek First Contact featuring rare and previously unseen production art and new and exclusive cast and crew interviews Twenty five years ago Star Trek First Contact saw Picard Data and the Enterprise crew go back in time to stop the Borg before they could prevent Earth's first contact with an alien species and assimilate the entire planet Celebrate this landmark anniversary by taking a deep dive into the stories behind this beloved film This beautiful coffee table book is full to the brim of archival material behind the scenes photography concept art production designs and much more and includes new and exclusive interviews with cast and crew including Jonathan Frakes Alice Krige Rick Berman Brannon Braga Ronald D Moore Marina Sirtis Herman Zimmerman and Michael Westmore *Eastern Star World*, 1924 Star Trek: Myriad Universes #2: Echoes and Refractions Keith R. A. DeCandido, Chris Roberson, Geoff Trowbridge, 2008-08-12 It's been said that for any event there are an infinite number of possible outcomes Our choices determine which outcome will follow and therefore all possibilities that could happen do happen across countless alternate realities In these divergent realms known history is bent like white light through a prism broken into a boundless spectrum of what might have beens But in those myriad universes what might have been is what actually happened THE CHIMES AT MIDNIGHT In a continuum where Spock died during childhood an Andorian named Thelin became Captain Kirk's stalwart friend and first officer But at the moment of Khan's final defeat history takes an even stranger turn and the emerging potential of Project Genesis is revealed as the galaxy's greatest hope and its most ominous threat A GUTTED WORLD Terrorist Kira Nerys from a Bajor that was never liberated may hold the key to winning a war that has engulfed half the galaxy But with the Romulans and the Klingons at each other's throats and the Federation pulled into the conflict even victory may not bring salvation BRAVE NEW WORLD Dr Noonien Soong's dream has been realized androids are now woven inextricably into the fabric of the Federation revolutionizing Starfleet and transforming the quality of humanoid life But when Soong's long missing breakthrough creation

Data mysteriously resurfaces civilization reaches a crossroads that could lead to a bright new future or to ruin **Star Trek as Myth** Matthew Wilhelm Kapell, 2010-03-16 In the past the examination of myth has traditionally been the study of the Primitive or the Other More recently myth has been increasingly employed in movies and in television productions Nowhere is this more apparent than in the Star Trek television and movie franchise This collection of essays on Star Trek brings together perspectives from scholars in fields including film anthropology history American studies and biblical scholarship Together the essays examine the symbolism religious implications heroic and gender archetypes and lasting effects of the Star Trek mythscape **Cambridge Primary Checkpoints - Preparing for National Assessment 6** Andrew Woods, 2010-08-13 Cambridge Checkpoints study guides provide the most up to date exam preparation and revision available for VCE students Updated annually Cambridge Checkpoints give students the best chance of VCE success
