Tobys World Turned Upside Friends:

Disastrous Dates and Dream Boys Mark Roeder, 2007 A story of teenaged boys who want what we all want to love and be loved

A World Turned Upside Down Louis Palmer Towles, 1996 Through letters and journal entries rich in detail this text follows the trials of the 19th century Palmer family who dominated the southern banks of South Carolina's Santee River. The volume offers insights into plantation life, education, religion, and slave master relations.

Rightlessness A. Naomi Paik, 2016-01-08 In this bold book A. Naomi Paik grapples with the history of U.S. prison camps that have confined people outside the boundaries of legal and civil rights. Removed from the social and political communities that would guarantee fundamental legal protections, these detainees are effectively rightless, stripped of the right even to have rights. Rightless people thus expose an essential paradox while the United States purports to champion inalienable rights at home and internationally it has built its global power in part by creating a regime of imprisonment that places certain populations perceived as threats beyond rights. The United States' status as the guardian of rights coincides with, indeed depends on, its creation of rightlessness. Yet rightless people are not silent. Drawing from an expansive testimonial archive of legal proceedings, truth commission records, poetry, and experimental video, Paik shows how rightless people use their imprisonment to protest U.S. state violence. She examines demands for redress by Japanese Americans interned during World War II, testimonies of HIV-positive Haitian refugees detained at Guantánamo in the early 1990s, and appeals by Guantánamo's enemy combatants from the War on Terror. In doing so, she reveals a powerful ongoing contest over the nature and meaning of the law over civil liberties and global human rights, and over the power of the state in people's lives.

Band Of Gypsies Gwyneth Jones, 2021-02-23 Former dictator Ax Preston has returned to England to take up the role of Green President, however the contract isn't all it appears to be from a distance. Decamping to Paris, the Triumvirate stage a protest against the government's Slave Labour camps by mimicking the same conditions for all to see. Meanwhile, international relations continue to be fragile. England is embarrassed by its former leaders, and the USA has trouble brewing that could have serious consequences for Ax Sage and Fiorinda. This is book four in Gwyneth Jones' critically acclaimed BOLD AS LOVE series.

Birds Chasing Hope Dr. Ashish Modi, 2011-11-15 When a group of angry foreign birds demand that Maya and her friends participate in their evil plots of revenge and destruction against humans by exploiting their weaknesses, Maya and her friends quickly realize that if they don't think of an alternative plan, the entire world will be destroyed. Maya and her friends utilize their lifelong experiences to come up with an alternative plan by learning from humans' strength and ingenuity. With that, they not only convince foreign birds but also the entire animal kingdom to participate in their new vision. Thus, together they not only save their forest but also the world. This is a hopeful and inspirational tale of a group of birds and animals who, despite all the odds against them, overcome their agony and sorrow. They not only save their forest and habitat but also assist humans in their struggles to protect the environment and save the planet from more destruction. This novel is a metaphor.

The Way of Jesus Toby Jones,2010-02-01 Countless books have been written about the impending death of the institutional church but this one both celebrates the resurrection that will follow and lights the way toward a new kind of spiritual community The Way of Jesus identifies seven principles upon which authentic and vibrant Christian communities can be built in today s diverse and ever shrinking world Toby Jones traveled across the country from San Francisco s Glide Memorial Church to New York s Church of the Holy Apostles and from Chicago s Wicker Park Grace to Minneapolis s Solomon s Porch He sojourned with seven communities in all and conducted in depth interviews with their leaders and participants to reveal what distinguishes resurrection communities from those in precipitous decline In The Way of Jesus Jones draws both from the scriptures and from such fresh thinkers as Brian McLaren Dallas Willard Doug Pagitt and Shane Claiborne offering genuine hope and practical direction to the millions of spiritually homeless But just as importantly The Way of Jesus offers a clear path to struggling shrinking congregations who desire to re form themselves in a way that is both more faithful to the Gospel and compelling to post modern generations who have long since abandoned the institutional church
