Lennox Manton, 2016-01-15 This book illuminates the journeys of Saint Paul in Roman Asia Minor in a way that has not previously been attempted and the discussion presented here is in no way an effort to discuss various aspects of Saint Paul s theology Saint Paul was reticent with the details of his journeys and this has given rise to much subsequent learned speculation as to their actual course and possible deviations In the nineteen sixties I drove over the course of Saint Paul s journeys visiting those cities known to him Many of the roads especially that between Laodicea and Antalya had very poor surfaces and I speculated then that these roads must have been much worse in Saint Paul s time I was drawn to the conclusion that St Paul s journeys may have deviated from historical and theological accepted wisdom and in this book I have proposed what I believe to be some likely variations in the routes of parts of his

journeys **Matrilineal Dissent** Annie Atura Bushnell, Lori Harrison-Kahan, Ashley Walters, 2024-05-07 Collectively contributors reframe Jewish American literary history through feminist approaches that have revolutionized the field from intersectionality and the MeToo movement to queer theory and disability studies Examining both canonical and lesser known texts this collection asks what happens to conventional understandings of Jewish American literature when we center women's writing and acknowledge women as dominant players in Jewish cultural production **White Mountain** Robert Twigger, 2017-10-03 Home to mythical kingdoms wars and expeditions and strange and magical beasts the Himalayas have always loomed tall in our imagination These mountains home to Buddhists Bonpos Jains Muslims Hindus shamans and animists to name only a few are a place of pilgrimage and dreams revelation and war massacre and invasion but also peace and unutterable calm They are a central hub of the world's religion as well as a climber's challenge and a traveler's dream In an exploration of the region's seismic history Robert Twigger author of *Red Nile* and *Angry White Pyjamas* unravels some of these seemingly disparate journeys and the unexpected links between them Following a winding path across the Himalayas to its physical end in Nagaland on the Indian-Burmese border Twigger encounters incredible stories from a unique cast of mountaineers and mystics pundits and prophets The result is a sweeping enthralling and surprising journey through the history of the world's greatest mountain range *The Caliph's House* Tahir Shah, 2006-01-31 In the tradition of *A Year in Provence* and *Under the Tuscan Sun* acclaimed English travel writer Tahir Shah shares a highly entertaining account of making an exotic dream come true By turns hilarious and harrowing here is the story of his family's move from the gray skies of London to the sun-drenched city of Casablanca where Islamic tradition and African folklore converge and nothing is as easy as it seems Inspired by the Moroccan vacations of his childhood Tahir Shah dreamed of making a home in that astonishing country At age thirty-six he got his chance Investing what money he and his wife Rachana had Tahir packed up his growing family and bought Dar Khalifa a crumbling ruin of a mansion by the sea in Casablanca that once belonged to the city's caliph or spiritual leader With its lush grounds cool secluded courtyards and relaxed pace life at Dar Khalifa seems sure to fulfill Tahir's fantasy until he discovers that in many ways he is farther from home than he imagined For in Morocco an empty house is thought to attract jinns invisible spirits unique to the Islamic world The ardent belief in their presence greatly hampers sleep and renovation plans but that is just the beginning From elaborate exorcism rituals involving sacrificial goats to dealing with gangster neighbors intent on stealing their property the Shahs must cope with a new culture and all that comes with it Endlessly enthralling *The Caliph's House* charts a year in the life of one family who takes a tremendous gamble As we follow Tahir on his travels throughout the kingdom from Tangier to Marrakech to the Sahara we discover a world of fierce contrasts that any true adventurer would be thrilled to call home *Around the World in 80 Cliches* Laura Lee, 2016-09-26 Travel the world with these incredibly fun cliches Whether cliches get under your skin or make you laugh *Around the World in 80 Cliches* goes the extra mile to provide an essential resource for students teachers writers and anyone
