Understanding Prophetic People Blessings And Problems With The Prophetic Gift:

Understanding Prophetic People R. Loren Sandford, 2007-06-01 Prophecy is cherished by many as one of the fivefold ministry gifts described in Ephesians 4:11 and foundational to the life of the church. Yet prophetically gifted people have a reputation of being different and difficult to live and work with. *Understanding Prophetic People* written by a prophetic pastor who grew up as the son of a prophetic pastor and leader helps readers better understand, relate to, and even minister to prophetically gifted people. R. Loren Sandford answers fascinating questions such as: What is it like to grow up as a prophetically gifted person? What is the difference between adrenaline and anointing? Who validates authentic prophetic ministry? How does a pastor rightly relate to a prophet? This rich resource seeks deeper understanding and wisdom on issues of foundational importance for prophetic people and everyone who loves God's gifts. ***The Prophetic Church*** R. Loren Sandford, 2009-02 Since 9/11 the Jordanian Abu Muhammad al Maqdisi b West Bank 1959 has emerged as one of the most important radical Muslim thinkers alive today. While al Maqdisi may not be a household name in the West, his influence amongst like-minded Muslims stretches across the world from Jordan where he lives today to Southeast Asia. His writings and teachings on Salafi Islam have inspired terrorists from Europe to the Middle East, including Abu Musab al Zarqawi, the former leader of al Qaeda in Iraq, and Ayman al Zawahiri, Osama Bin Laden's successor as the head of al Qaeda Central. This groundbreaking book, which is the first comprehensive assessment of al Maqdisi, his life, ideology, and influence, is based on his extensive writings and those of other jihadis, as well as on interviews that the author conducted with former jihadis, including al Maqdisi himself. It is a serious and intense work of scholarship that uses this considerable archive to explain and interpret al Maqdisi's particular brand of Salafism. More broadly, the book offers an alternative insider perspective on the rise of radical Islam, with a particular focus on Salafi opposition movements in Saudi Arabia and Jordan. ***Visions of the Coming Days*** R. Loren Sandford, 2012-05-15 In these uncertain times, this highly respected prophetic leader casts a striking prophetic vision for the coming days, helping you understand and prepare for them. ***The Last Great Outpouring*** R. Loren Sandford, 2020-08-18 After four hundred years of prophetic silence, God sent John the Baptist to announce the coming of the Messiah, the baptism He would bring, and the in-breaking of the kingdom of God on earth. In response, people streamed to the Jordan River to hear John's words and be baptized by him in the Jewish ritual mikveh bath for cleansing from sin and defilement. John's calling was to prepare the people for the coming glory. Our God is nothing if not consistent: the same yesterday, today, and forever. As in the days leading to the return of Jesus, He therefore continues to send messengers in advance to announce coming moves of the Spirit in order to prepare His people to receive Him. Author R. Loren Sandford believes God is about to do something huge, wonderful, and even unprecedented in scope and impact, and he is urging Christians everywhere to prepare for it. Beginning with the prophet Haggai and moving through the Bible, Loren lays a foundation for his belief that the time of the last great outpouring and the Lord's return is now. He writes: The church in our day has been

ravaged and diminished in influence under pressure from the idolatrous culture that surrounds us and that figuratively speaking a remnant is even now returning from exile It s time to rebuild on a biblical foundation and construct a temple adequate to contain the outpouring God is about to send Loren says we must reject our present culture which is steeped in consumerism and a focus on self and return to a culture of covenant The former has weakened and destroyed us while the latter will edify and strengthen us As John the Baptist came in the spirit and power of Elijah to prepare the way prophetic voices are now rising to proclaim that the greatest outpouring of the Holy Spirit in history is coming The great last days move of God approaches and the call for preparation now is the same as John preached so long ago Through reliable prophetic voices God now cries for holiness and cleansing to uproot everything in ourselves and in our churches not solidly rooted in the nature of Jesus and the Father Renewal for the Wounded Warrior R. Loren Sandford,2010-02 Speaking from experience longtime renewal leader plumbs the depths of burnout offering help and healing to believers going through this dark night of the soul **Welcoming a Visitation** Wesley Campbell,1996 In Welcoming a Visitation of the Holy Spirit Wesley Campbell takes a refreshing firsthand look at the renewal movement known as the Toronto Blessing He combines the expertise of a biblical scholar with the unabashed enthusiasm of someone who s fallen in love with his Savior all over again Learn about Prophecies in 1984 that pointed to events in Toronto in 1994 Biblical tests you can use to identify a visitation of the Holy Spirit The spiritual meanings behind falling down shaking and laughing New outbreaks of renewal and the future of the movement *Leaving Home--Finding Home* Jessie C. Mejias,2010-02-26 Leaving Home Finding Home My Journey from Shame to Sonship through Journaling is the first book of its kind showing how God Himself brought inner healing by speaking into one woman s life In it author Jessie Mejias shares how God counsels and heals her through journaling The central theme of Leaving Home Finding Home is healing through intimacy with God an intimacy that develops as she writes out her conversations with Him The author devotes several chapters to her background and childhood but the heart of the book is Jessie s actual journal About her decision to share her journal verbatim she says When the Lord first instructed me to write this book my natural instinct was to transform the ramblings of my mind and heart into a nice neat package that the reader could easily follow However as I prayed about His instructions I felt very strongly that He wanted me to demonstrate how I received my healing through journaling itself Jessie Mejias grew up in what she would have described as an Ozzie and Harriet kind of home loving parents close siblings good schools and a religion that dictated solid values What she did not know was that beneath the surface lay a shaky foundation of dysfunctional family rules and generational patterns As a young adult Jessie watched her neat world crumble when two of her siblings succumbed to mental illness while the family stood by helplessly Subsequently her family scattered and she unwittingly married an abusive alcoholic man Her disastrous marriage precipitated her decision to give her life to Christ But despite her newfound faith at age 27 she found herself a single mother of two young sons In the ensuing years Jessie sought and found healing and growth through studying the Bible and receiving

Christian counseling Miraculously she and her husband were remarried after seven years of separation and divorce She became involved in teaching and leading Bible studies within her local church and was confident that she was already experiencing the abundant life that God promised to His children However when she decided to return to school to earn a degree in Christian counseling God began to show her that she was still suffering from the traumas of her childhood and that shame was an integral part of her life that He wanted to remove This revelation launched her into an unprecedented time of accelerated healing that was to be the inspiration for this book Leaving Home Finding Home chronicles that journey from shame to sonship through one on one dialogue with God Shame is a universal problem that is sometimes hard to pinpoint We describe ourselves as embarrassed shy fearful or hesitant but we never actually understand that the source of these emotions is shame Shame is a terrible feeling that we are a mistake that somehow we were never supposed to exist The author found that this feeling of shame was so deeply hidden in her heart that it was not until God began to unwrap her from her emotional chains that she could see that this was the true source of her poor self image Jessie vividly describes her feelings of shame It was as if all my life I had been living in a slum that I would leave from time to time to go the nice clean neighborhood down the block at first for short times then for longer and longer periods of time but inevitably I would end up at some point back in this dump The sight of it would make me sick but I did not know how to leave it completely behind God Himself initiated this unique approach to inner healing as He took Jessie back to her childhood home and school and walked with her through each traumatic event of her young life reaching deep into her heart to show her what was hidden there
