This Is Not My Beautiful Life Victoria Fedden, 2024-03-26 ONE OF PUBLISHERS WEEKLY'S TEN MOST ANTICIPATED MEMOIRS OF THE SEASON IF YOU THINK IT SUCKS TO LIVE WITH YOUR PARENTS WHEN YOU'RE THIRTY SIX AND NINE MONTHS PREGNANT JUST WAIT TILL THE DEA COMES KNOCKING WITH THE IRS IN TOW WELCOME TO VICTORIA FEDDEN'S LIFE When a squad of federal agents burst through her parents' front door Victoria Fedden felt ill prepared to meet them She was weeks away from her due date and her T shirt wasn't long enough to hide her maternity undies As for the question of how to raise a child when you've just discovered that your mother and stepfather have allegedly masterminded a pump and dump scheme She was pretty sure that wasn't covered in What to Expect When You're Expecting and she really hoped that Bradford Cohen the noted criminal defense attorney who famously waived his exemption on The Apprentice would prove them innocent This Is Not My Beautiful Life is the story of how Victoria lost her parents to prison and nearly lost her mind No one ever said motherhood would be easy but as she struggles to change diapers install car seats and find the right drop off line at pre school no easy task when each one is named for a stage in the lifecycle of a fucking butterfly she's also forced to ask herself whether a jump suit might

actually complement her mom's platinum blonde extensions and fend off the cast of shady stranger than fiction characters like the recovering addict who scored a reality show when he started an escort service for women who populated her parents' world. A real life *Arrested Development* that could only unfold in southern Florida. *This Is Not My Beautiful Life* is a hilariously funny and unexpectedly moving memoir of a just functional family you'll never forget. *This Is Not My Life!* S. M. Love, 2016-02-18

The ugly details about an intimate relationship on blast is what S. M. Love gives us in *This Is Not My Life*. She pores out the details nobody ever wants to talk about in a relationship. She even admits the part she played in the dysfunction. The book takes us through her past and gives coaching advice to help others prevent the same mistakes. *This Is Not My Life* was written to help others set themselves free from relationship drama and to find happiness. The author uses this piece of her life to show how blind you can be in the middle of any relationship. S. M. Love takes off her love blinders and puts on her life coaching lenses to tell you where she went wrong. The little reminders in the book are things one can use in everyday life. The book is an enjoyable read and relates to the one thing men and women have in common: difficult relationships. **If this isn't life**

Marco Lembo, 2025-09-26 *If This Isn't Life*: A compelling memoir of roots, rebellion, and rebirth. A journey without a safety net, without brakes. Just life. Real life. From the suburbs of Rome in the 1960s and 1980s to the excesses of punk London, from frozen lands where the sun never sets to the warm corners of the South between flamenco and chorizo. *If This Isn't Life* is the memoir of an existence pushed to the limit, lived to the fullest, always on the edge, always running, always rebuilding. Marco Lembo was born in the suburbs of Rome in the 1960s and turned a troubled adolescence into a life without geographical or mental boundaries. In the 1980s he emigrated to London without speaking a word of English, surviving riots, raves, and hunger by reinventing himself as a chef, dishwasher, and fashion designer. Then came the turning point: he became a successful entrepreneur and the inventor of innovative formats in the food industry, patenting the world's first gluten-free and vegan fresh pasta. He also broke into the entertainment world by opening Italy's first silent disco, and in Finland he helped reshape the world of labor by contributing to a committee of the Ministry of Labor. *This is Not My Life* J. A.

Bradfield, 2024-09-24 *This is Not My Story* is a thoughtful look at sexual abuse through the eyes of a survivor and insights into the way God intervenes and blesses during the journey of healing from abuse. You will read specific scriptures and how they came to life during her own healing from incest and abuse. This book is intended to show God's glory in the midst of darkness. It's a rare and most honoring moment when you are invited into someone's healing journey. As a licensed mental health practitioner, it is one that I don't take lightly. It is in these moments when you're able to discover something unique about your own trauma through another's painstakingly painful years of agony and horror. It is in this place where doors and pathways are opened that shed light on what was once drowned in darkness. A light comes on, and a discovery of hope and healing lies in your grasp for the first time ever. And you are finally able to say maybe their journey of healing could be mine also. *This is Not My Life*. God's Providence through my story of Abuse and Recovery does just that as my dear friend and

former colleague Jodeen Bradfield discloses the deepest of pain and suffering that comes from being on the wrong side of abuse This book is a game changer for those looking for hope when everything tells you that there is none Be prepared to be rocked to your core as you navigate your own healing journey while walking alongside Jodeen in hers Our greatest victories are often granted at the sacrifice of others At the core this is what Jodeen has birthed as she has dedicated her life to bringing hope and healing to those suffering from the effects of trauma and abuse You will walk away forever changed

Making War at Fort Hood Kenneth T. MacLeish, 2015-03-01 An intimate look at war through the lives of soldiers and their families at Fort Hood Making War at Fort Hood offers an illuminating look at war through the daily lives of the people whose job it is to produce it Kenneth MacLeish conducted a year of intensive fieldwork among soldiers and their families at and around the US Army s Fort Hood in central Texas He shows how war s reach extends far beyond the battlefield into military communities where violence is as routine boring and normal as it is shocking and traumatic Fort Hood is one of the largest military installations in the world and many of the 55 000 personnel based there have served multiple tours in Iraq and Afghanistan MacLeish provides intimate portraits of Fort Hood s soldiers and those closest to them drawing on numerous in depth interviews and diverse ethnographic material He explores the exceptional position that soldiers occupy in relation to violence not only trained to fight and kill but placed deliberately in harm s way and offered up to die The death and destruction of war happen to soldiers on purpose MacLeish interweaves gripping narrative with critical theory and anthropological analysis to vividly describe this unique condition of vulnerability Along the way he sheds new light on the dynamics of military family life stereotypes of veterans what it means for civilians to say thank you to soldiers and other questions about the sometimes ordinary sometimes agonizing labor of making war Making War at Fort Hood is the first ethnography to examine the everyday lives of the soldiers families and communities who personally bear the burden of America s most recent wars
