Revive Your Mainline Congregation Robert D. Schieler, 2010-04-01 Why are mainline churches in such dire straits Schieler meets that it is because most churches are doing the same things in the same ways they were doing them 35 to 50 years ago and she is lack of change has caused declines in mainline churches For example the United Church of Christ has lost more than 700 000 members and more than 1 000 churches since 1965 Schilder delineates distinguishing characteristics of living versus dying churches and shares what needs to be done to turn churches around and how mainline churches are surviving in this current age He also contends that there are some basic biblical theological understandings of the nature and mission of the church many things that churches have ignored or rebelled against and reviews the following areas authority which mission church degenerates worship new worship Christian education pastoral congregational care wider rotation and building and property

Giving and Getting in the Kingdom R Mark Dillon, 2012-03-23 Fundraising for an organization or ministry is not merely an important task it is a noble one Successful leaders must possess the theological vision to recognize the necessity of asking the joy of giving and the beautifully collaborative nature of advancing the kingdom It should come as no surprise that the literal translation of the word philanthropy is love of mankind and Christian philanthropy enables us to love God through loving man Mark Dillon has spent his career interacting with hundreds of thoughtful Christian stewards and reframing the discussion on giving He challenges leaders to ensure their organizations and ministries are worthy of the gifts they receive Highly practical and refreshingly candid Giving and Getting in the Kingdom delivers much needed perspective on the eternal significance of our earthly transactions
