## To Live And Die In La:

To Live and Defy in LA Felicia Angeja Viator,2020-02-25 How gangsta rap shocked America made millions and pulled back the curtain on an urban crisis How is it that gangsta rap so dystopian that it struck aspiring Brooklyn rapper and future superstar Jay Z as over the top was born in Los Angeles the home of Hollywood surf and sun In the Reagan era hip hop was understood to be the music of the inner city and with rare exception of New York Rap was considered the poetry of the street and it was thought to breed in close quarters the product of dilapidated tenements crime infested housing projects and graffiti covered subway cars To many in the industry LA was certainly not hard edged and urban enough to generate authentic hip hop a new brand of black rebel music could never come from La La Land But it did In To Live and Defy in LA Felicia Viator tells the story of the young black men who built gangsta rap and changed LA and the world She takes readers into South Central Compton Long Beach and Watts two decades after the long hot summer of 1965 This was the world of crack cocaine street gangs and Daryl Gates and it was the environment in which rappers such as Ice Cube Dr Dre and Eazy E came of age By the end of the 1980s these self styled ghetto reporters had fought their way onto the nation s radio and TV stations and thus into America s consciousness mocking law and order crusaders exposing police brutality outraging both feminists and traditionalists with their often retrograde treatment of sex and gender and demanding that America confront an urban crisis too often ignored

*To Live and Die in El Valle* Oscar Mancinas,2020-09-30 Many of the young people in this haunting collection of thirteen stories grounded in Arizona don t have the luxury of being dreamless Some are compelled to leave their hometown I knew early on that I didn t want to die in El Valle Nothing could be worse than being stuck somewhere you didn t belong Those that manage to get out often find themselves in awkward situations One young man a student at a New England college is surprised to receive a call from the admissions office asking him to give a tour to a Mexican family He agrees to help but the interaction only reinforces the unease he feels about his place on campus and his Mexican identity Not all want to leave Kino vigorously resists his friend s constant encouragement to apply to schools out of state You think you won t be a wetback to people out there You think I wanna be your lil Indian sidekick on the East Coast You think you re better than all of us here Others live with the daily fear of deportation or the loss of family members Fernanda adjusts to a new life as an undocumented person in El Valle where she takes comfort in the familiar ritual of baseball Roach s mother has steadfastly refused to talk about her father until through drastic measures she learns he was deported before her birth And on their long drive to college Melissa s father finally talks about the death of her would be older brother Vividly depicting working class communities Oscar Mancinas creates lives shaped by circumstances beyond their control from migration for a better life to centuries of systemic racism and settler colonialism His characters frequently struggle with a sense of belonging and their stories eloquently illuminate Hispanic and indigenous experiences in the Southwest New York Magazine ,1985-11-11
