To Make Myself A Word To Make Myself A Word:

Make me to know Vol I-VI Author Melissa White, *Make me to know I* Author Melissa White, Spoken Word for the Young Soul Deeci Murphy, 2015-06-26 *Spoken Word for the Young Soul* is a compilation of poems written to inspire our youth. It discusses the day to day issues they deal with as well as offer them some things to think about with respect to future life decisions. I hope this book will ignite a desire in you to get your message out there. That it will help you to see Spoken Word poetry as a vehicle for your own voice and social change efforts. It asks that you not let go of your dreams and to stop looking outside yourself for the power to accomplish them. I want this book to encourage you to write, tell your stories, speak your truth and be your own Power. Deeci Murphy Texting Dr Stalker Pepper Winters, 2025-01-09 *Texting Dr Stalker* is a swoony standalone full of hidden identities, protective doctor neighbors and green flag stalkers. I have a stalker. A masked man who watches me from the shadows. A guardian who says he's there to protect me to help me heal from almost dying at the hands of another man. He says he's willing to do anything to help me move on. That I needn't be afraid of him. I agree to keep him my secret and share how much I'm truly struggling. In return, he guards me. Even if it means guarding me from himself. I've known her my entire life. She's the girl next door who I share a childhood betrothal with thanks to our two grandmothers wishing to turn their lifelong friendship into family. I'm also the doctor who tended to her in the ER after her ex tried to kill her. I want to help her in any way I can, but I also know she'll never accept my help because I'm the reason he tried to kill her in the first place. But I can't stand by and see her suffer, so I come up with a plan. A highly illegal plan that ends with me breaking laws, rules, and my own heart. Tropes: Doctor, girl next door, childhood friends to lovers, green flag stalker, hidden identity, lots of texts, masked protector would do anything to protect her, standalone, he has a motorcycle, he does things in the dark. *Don't Make Me Count to Three* Ginger Hubbard, 2004-03-01 Do you find yourself threatening, repeating your instructions, or raising your voice in an attempt to get your children to obey? Are you discouraged because it seems you just can't reach the heart of your child? Through personal experience and the practical application of Scripture, Ginger Hubbard encourages and equips moms to reach past the outward behavior of their children and dive deeply into the issues of the heart. Ginger's candid approach will help moms move beyond the frustrations of not knowing how to handle issues of disobedience and into a confident, well-balanced approach to raising their children. **Sinful Words** Hesenê Metê, 2017-06-23 Behram is the mysterious narrator of this strange tale of one man's search for divine understanding. He tells about the truth of sin and the sin of the truth in his life while discussing not only Islam but also God as an all-powerful entity. Behram travels and meets others on the path to enlightenment, but he might not find what he seeks. He continues to search although he does not know exactly what he searches for or what pursues him. He chases and looks knowing that the day he discovers what he seeks will be the day he becomes a poet, a madman, or a prophet, but a prophet without God. Behram grows to hate God as much as he hates Satan but also loves God as he loves Satan. What horrible, beautiful realization awaits the
