Master Life Pavasuth Sooksatit, 2012-08-21 My book is about helping people on their soul journey All souls came here to this Earth plane for a reason and that reason is to be in Oneness with one another Before incarnating here on Earth every soul created for themselves a Divine Soul Plan which is a life plan for all of us to walk our highest blueprint However when we are born we do not have this memory within our physical brains and it is up to everyone to eventually remember this subconsciously However soul remembers and soul remembers that we are all here to work through our Soul

Plan by overcoming the various challenges we have been presented with according to our karmic implications As no two souls are the same so too are no two soul plans will be the same It is unique to each individual We also have spiritual testing which we need to work through and pass Spiritual Testings are never easy and requires great understanding for one another in order to pass them The key to passing spiritual testings and working through our karmic imbalances is to always be expressing love understanding and forgiveness for one another The key is to transmute or transform out all of our negative qualities to be positive Light This book holds the key to passing your spiritual testings and tips on how to respond to negative situations rather than react negatively to them If we just react and go in an automatic pilot mode then we will never achieve accomplishment within our purpose here For example if someone expresses hatred and disgust towards you your instant reaction is to react back with hatred towards them to mirror the very energy that is being expressed out to you This is the trap that most of us find ourselves in it is a trap because every time we express negative emotions such as hatred that emotion and thought will manifest as energy According to the Universal Law of Attraction if you express out negative emotions then only negative emotions will find its way to you Like attracts like the same energy will attract the same energy It will then be the same situations over and over again never really experiencing joy because you will only attract in negative situations and the more negative situations you find yourself in the harder it is for you to overcome them This is what existence itself is all about We are all Masters however we need to express that out in every aspect of our lives towards others This book is a sort of a guide on ways we can master our own emotions and also holds the keys to eternal joy and soul accomplishment

The Pathwork of Self-Transformation Eva Pierrakos,1990-04-01 The gift of Eva Pierrakos s Pathwork has been with me for twenty years It is the deepest and most effective spiritual work I have found and it has helped me realize my dreams Each time I read it I am amazed at the depth

and breadth of wisdom and love it teaches It is a practical way of truth that will change your life Barbara Ann Brennan author of Hands of Light For more than twenty years Eva Pierrakos was the channel for a spirit entity known only as the Guide Combining rare psychological insight with an inspiring vision of human possibility the Guide's teachings known as the Pathwork have influenced many key New Age thinkers who have studied at Pathwork centers in the United States and abroad Now the core teachings of the guide have been collected in one volume synthesizing the essential wisdom of the Pathwork Under such headings as The Idealized Self Image The Forces of Love Eros and Sex Emotional Growth and Its Function Real and False Needs and The Spiritual Meaning of Crisis the Pathwork outlines the entire process of personal spiritual development Unlike many over idealized philosophies the Pathwork confronts our devils as well as our angels our all too human failings and petty ego concerns as well as our divine strengths It shows us how to accept ourselves fully as we are now and then to move beyond the negativity or lower self that blocks our personal and spiritual evolution It offers a practical rational and honest way to reach our deepest creative identity I would advise that this book be read with a willingness to take time to digest what the Guide says This is not light reading though it is Light reading I assure you I find an enormous compatibility between these lectures and Emmanuel's teachings What a wonderful gift to a wonderful world Pat Rodegast author of Emmanuel's Book **The Gospel According to St. Luke** Henry Burton, 1897
