To My Son With Love:

To My Son with Love Susan Polis Schutz, 2007 When Susan first penned her hopes and dreams for her two sons, parents and sons everywhere responded with recognition and delight. In this new edition, she supplements the insight of her earlier work with new poems she wrote while watching her sons grow into young men. Stephen Schutz's tender illustrations are the perfect complement to Susan's eloquent verse. Together, they capture the wonder of parenthood and the joys of having a son.

Letters to My Son — 20th Anniversary Edition Kent Nerburn, 2014-04-06 At once spiritual and practical, *Letters to My Son* has been beloved by readers from all walks of life, including single mothers seeking guidance in raising a son, fathers looking to share a voice of clarity about life's most important issues, and young men wanting an intelligent, sensitive, and streetwise companion on the journey toward a worthy manhood. In this twentieth anniversary edition, Kent Nerburn adds to his classic reflections on love, marriage, travel, money, and wealth, tragedy and suffering, spirituality, sex, and the true meaning of strength, with new chapters on sexual identity and the difficulty of moving on from relationships. Homes and stages of life. Love Letters to My Son Kedrick Young, 2020-02-20 This is a coming-of-age book. Most young men are thrust into the world at the age of eighteen and told to get a job or go to college. People of a certain age know it's not quite that simple. This book includes advice to young men and young women in some cases about what direction they should be thinking of going into. Being honest, most parents are too busy to focus on the little things that my book will provide especially to single moms.

For the Love of My Son Margaret Davis, 2011-09-15 This is the story of an ordinary woman whose grief and love for her only son compelled her to do something extraordinary. When Margaret Davis's beloved son Steven was murdered by his own wife, a Philippino former prostitute, she travelled across continents to track down her son's killers and bring them to justice and to rescue her grandchildren. Based on Margaret's own diaries, notes, and emails, this tells not only the awful but utterly compelling story of her perilous journey but also of how she has dealt with her crippling grief and how she has striven to save and protect two small children caught up in the violent crossfire of their parents' failing marriage. It is a tale of two cultures that clashed with terrible results. And it is a tale of how one mother, faced with her worst nightmare, has fought for justice for her son and some kind of healing for herself and the others left behind after his appalling death.

To My Son Marci, 2017-11 Marci's adorable Children of the Inner Light characters and touching messages of encouragement and affection convey the feelings every parent has for a son.
