John Berger

To The Wedding Vintage International:

To the Wedding John Berger, 1996-03-19 Booker Prize winning author John Berger gives a novel both tragic and joyous intelligent and erotic In To the Wedding a blind Greek peddler tells the story of the wedding between a fellow peddler and his bride in a remarkable series of vivid and telling vignettes As the book cinematically moves from one character's perspective to another events and characters move toward the convergence of the wedding and a haunting dance of love and death

And Our Faces, My Heart, Brief as Photos John Berger, 2011-07-13 Berger reveals the ties between love and absence the ways poetry endows language with the assurance of prayer and the tensions between the forward movement of sexuality and the steady backward tug of time He recreates the mysterious forces at work in a Rembrandt painting transcribes the sensorial experience of viewing lilacs at dusk and explores the meaning of home to early man and to the hundreds of thousands of displaced people in our cities today And Our Faces My Heart Brief as Photos is a seamless fusion of the political and personal

Eudora Welty's Delta Wedding, 2008-01-01 Presenting the first full length collection of essays on Eudora Welty's novel Delta Wedding 1946 this volume is the fourth book in Rodopi Press's Dialogue Series Within these pages emerging and experienced literary critics engage in an exciting dialogue about Welty's noted novel presenting a wide range of scholarship that focuses on feminist concerns pays tribute to the rhetoric of exclusion and empowerment examines the role of outsider and boundaries explores meaning making and highlights the novel's humor and musicality This volume will no doubt be of interest to Welty aficionados as well as southern studies and feminist scholars and to those who are interested in the craft of writing fiction

How to Read Now Elaine Castillo, 2022-07-26 How to Read Now explores the politics and ethics of reading and insists that we are capable of something better a more engaged relationship not just with our fiction and our art but with our buried and entangled histories A book that doesn't seek to shut down the current literary discourse so much as shake it up The New York Times Book Review Offering its audience the opportunity to look past the simplicity we're all too often spoon fed into order to restore ourselves to chaos and complexity a way of seeing and reading that demands so much more of us but offers even more in return Los Angeles Times I gasped shouted and holler laughed while reading these essays from the phenomenal Elaine Castillo What powerful writing what a rigorous mind For as long as I live I want to read anything Castillo writes and you probably do too R O Kwon author of The Incendiaries How many times have we heard that reading builds empathy That we can travel through books How often have we been heard about the importance of diversifying our bookshelves Or claimed that books saved our lives These familiar words beautiful aspirational are sometimes even true But award winning novelist Elaine Castillo has more ambitious hopes for our reading culture and in this collection of linked essays she moves to wrest reading away from the cotton candy aspirations of uniting people in empathetic harmony and reposition it as thornier ultimately more rewarding work Vulture How to Read Now explores the politics and ethics of reading and insists that we are capable of something better a more engaged relationship not just with our fiction and our art

but with our buried and entangled histories Smart funny galvanizing and sometimes profane Castillo attacks the stale questions and less than critical proclamations that masquerade as vital discussion reimagining the cartography of the classics building a moral case against the settler colonialism of lauded writers like Joan Didion taking aim at Nobel Prize winners and toppling indie filmmakers and celebrating glorious moments in everything from popular TV like *The Watchmen* to the films of Wong Kar wai and the work of contemporary poets like Tommy Pico At once a deeply personal and searching history of one woman s reading life and a wide ranging and urgent intervention into our globalized conversations about why reading matters today *How to Read Now* empowers us to embrace a more complicated embodied form of reading inviting us to acknowledge complicated truths ignite surprising connections imagine a more daring solidarity and create space for a riskier intimacy within ourselves and with each other

The Success and Failure of Picasso John Berger, 2011-12-21 At the height of his powers Pablo Picasso was the artist as revolutionary breaking through the niceties of form in order to mount a direct challenge to the values of his time At the height of his fame he was the artist as royalty incalculably wealthy universally idolized and wholly isolated In this stunning critical assessment John Berger one of this century s most insightful cultural historians trains his penetrating gaze upon this most prodigious and enigmatic painter and on the Spanish landscape and very particular culture that shaped his life and work Writing with a novelist s sensuous evocation of character and detail and drawing on an erudition that embraces history politics and art Berger follows Picasso from his childhood in Malaga to the Blue Period and Cubism from the creation of *Guernica* to the pained etchings of his final years He gives us the full measure of Picasso s triumphs and an unsparing reckoning of their cost in exile in loneliness and in a desolation that drove him in his last works into an old man s furious and desperate frenzy at the beauty of what he could no longer create

Intersecting Worlds Jenna Grace Sciuto, 2025-01-15 *Intersecting Worlds* Colonial Liminality in US Southern and Icelandic Literatures recalibrates readings of US southern and American writers by exploring comparable depictions of race colonialism Whiteness gender and sexuality in Icelandic literature This book explores the liminality ambiguity and general unease that result when postcolonial theories are applied to both Iceland and the US South It investigates the parallels and also the limitations to such comparisons with the labels and binaries created to represent colonial dynamics flattening the complex positionings of Iceland and the US South Iceland an independent nation since 1944 has a complex colonial history As a former dependency of Denmark that endured a US military presence from 1941 to 2006 Iceland s global positioning invites comparisons to formerly colonized spaces At the same time Iceland s history and geopolitical location differ from other colonized nations which were subject to brutal violence and dehumanizing practices This comparative project investigates Iceland s colonial liminality and draws connections to the colonial ambiguity of the US South depicted as colonized by the federal government during Reconstruction and the site of the colonization of the Black population through slavery and its later iterations Exploring the work of US southern writers like William Faulkner Gayl Jones Jean Toomer and

Carson McCullers alongside twentieth century Icelandic novelists including Halldór Laxness Svava Jakobsdóttir Guðbergur Bergsson and Frjáslaug Sigurðardóttir on both thematic and aesthetic levels reveals much about each region's history and the complexity of colonial dynamics Intersecting Worlds centers layers of Whiteness in both national and transnational contexts challenges ideas of Nordic and US southern exceptionalism and exposes the complex impacts of colonialism in the Global North and the Global South as depicted in twentieth century literature

The Wedding Feast of the Lamb Emmanuel Falque, 2016-09-01 A philosophical and theological study of the eucharist in the Catholic Church Emmanuel Falque's *The Wedding Feast of the Lamb* represents a turning point in his thought Here Falque links philosophy and theology in an original fashion that allows us to see the full effect of theology's backlash against philosophy By attending closely to the incarnation and the eucharist Falque develops a new concept of the body and of love By avoiding the common mistake of angelism consciousness without body Falque considers the depths to which our humanity reflects animality or body without consciousness He shows the continued relevance of the question How can this man give us his flesh to eat John 6:52 especially to philosophy We need to question the meaning of this is my body in a way that responds to the needs of our time Vatican II Because of the ways that *Hoc est corpus meum* has shaped our culture and our modernity this is a problem both for religious belief and for culture Praise for *The Wedding Feast of the Lamb* Animality embodiedness and eros such for Emmanuel Falque are the grounds for our hope as we kneel before the altar and await the words of consecration in the Eucharist and behold not only what nourishes us here but also an intimacy promised to us hereafter Here as a complement to theologies of the Eucharist is a phenomenology of the sacred liturgy perhaps the most capacious account of our desire for Christ in the Sacrament offered to us by a contemporary Kevin Hart The University of Virginia A generative text for advanced study of worship and a deeper engagement of phenomenological approaches to sacramental theology Homiletic The Journal of the Academy of Homiletics
