Subject Guide to Books in Print, 1996 *Introducing Modern Japan*, 1992 Contains transcripts of lectures given at the Japan Information Culture Center Embassy of Japan Washington D C **Today's Japan**, 1962 **Japanese Tourists** K.S. Chon, 2020-12-19 Find out how to entertain all types of Japanese tourists from student groups to retirees Would a Japanese traveler rather see pictures of beautiful landscapes or smiling Japanese couples in a tourist brochure Will you attract more Japanese tour groups by promising them independence and adventure or excellent food Given the importance of Japanese tourists to the global travel industry understanding their travel related behavior has become an essential item in the tourism research agenda *Japanese Tourists Socio Economic Marketing and Psychological Analysis* investigates the specific needs behaviors and desires of this growing segment of the international tourism market Japanese tourists spend billions of dollars abroad every year and travel destinations as far apart as Australia and Manhattan compete fiercely for their custom By taking cultural traits into account travel industry professionals can better understand exactly what kinds of amenities accommodations service and total experience Japanese travelers are looking for This volume of original research and well grounded theory elucidates the specific factors that go into Japanese travel and buying decisions whether the travelers are Japanese office ladies seeking bargains in Hong Kong or a group of senior citizens hoping to see the Northern Lights *Japanese Tourists Socio Economic Marketing and Psychological Analysis* discusses a full range of issues crucial to attracting Japanese tourism including how stage of life affects travel behavior why Japanese people book overseas weddings and group honeymoon tours whether legalized gambling would increase or discourage Japanese tourism in Hawaii how issues of perceived safety affect choice of travel destinations what souvenirs mean in Japanese culture which travel images are most likely to attract Japanese tourists what sources of information Japanese travelers use to help them select destinations *Japanese Tourists* offers the most up to date international studies on the socioeconomic marketing and psychological factors affecting Japanese people traveling abroad This volume is an invaluable resource for travel professionals seeking to break into the tough but lucrative Japanese outbound tourism market **Engineering War and Peace in Modern Japan, 1868-1964** Takashi Nishiyama, 2014-04-15 The role of engineering communities in taking Japan from a defeated war machine into a peacetime technology leader Naval aeronautic and mechanical engineers played a powerful part in the military buildup of Japan in the early and mid twentieth century They belonged to a militaristic regime and embraced the importance of their role in it Takashi Nishiyama examines the impact of war and peace on technological transformation during the twentieth century He is the first to study the paradoxical and transformative power of Japan's defeat in World War II through the lens of engineering Nishiyama asks How did authorities select and prepare young men to be engineers How did Japan develop curricula adequate to the task and from whom did the country borrow Under what conditions What did the engineers think of the planes they built to support Kamikaze suicide missions But his study

ultimately concerns the remarkable transition these trained engineers made after total defeat in 1945 How could the engineers of war machines so quickly turn to peaceful construction projects such as designing the equipment necessary to manufacture consumer products Most important they developed new high speed rail services including the Shinkansen Bullet Train What does this change tell us not only about Japan at war and then in peacetime but also about the malleability of engineering cultures Nishiyama aims to counterbalance prevalent Eurocentric Americentric views in the history of technology Engineering War and Peace in Modern Japan 1868 1964 sets the historical experience of one country s technological transformation in a larger international framework by studying sources in six different languages Chinese English French German Japanese and Spanish The result is a fascinating read for those interested in technology East Asia and international studies Nishiyama s work offers lessons to policymakers interested in how a country can recover successfully after defeat
