LaRoche,2013-11-07 What is it like in that church across the street When that church is Roman Catholic and the person asking the question is a Protestant this question can be very hard to answer Do you actually know what Catholics do Do you know what they believe What difference does it make Rev Dr Robert LaRoche is extraordinarily well qualified to answer the question He grew up and was educated in the Roman Catholic Church He was ordained a deacon Eventually he chose to move to a Protestant denomination and is now an ordained minister in the United Church of Christ But he isn't an angry ex Catholic In this book he will list for you the key beliefs and practices that distinguish protestants from Roman Catholics But this book is not just a catalog of differences and similarities Bob LaRoche approaches this topic with a serious interest in dialog in learning from one another and in ecumenical outreach This book is intended for any Christian but it will be especially useful to parents in multi faith households to church congregations with an interest in Christian community and to religious education programs It is a companion volume to the forthcoming book *What Roman Catholics Need to Know about Protestants* also by Bob LaRoche **The Devil Is in the Details** J Hamilton Weston,2018-07-12 There are many countries today where Christians endure persecution on a massive scale Are we as

children of God called to stand and be proactive Are we not to be involved until we are backed into a corner Then are we to be always reactive never on the offensive but always on the defensive Are we to look the other way and allow the adversary to make a foothold in the world How do you understand the Christian life and why These are questions that need to be considered when truly evaluating your spiritual health Do you look forward to your time with the Lord or does it become a drudgery or obligation J Hamilton Weston Rev Weston challenges himself and us to acknowledge the detail inertia and others which has left us in the Church gliding through this life instead of reporting for duty as a member of God s Army Let us get up and be the servants He has called us to be and fulfill our mission in God s Kingdom **The Eucharist** Robert D.

Cornwall,2014-07-10 Holy Communion the Lord s Supper or the Eucharist are some of the names used to signify what is arguably the center of our worship as Christians Although the Eucharist may stand at the center of Christian worship there are a great variety of theologies and practices present within the Christian community For some it is a mere memorial of Jesus last supper with his disciples For others it is the place where one not only encounters Jesus spiritual presence but consumes his true body and true blood under the signs of bread and wine Although rooted in the practices of the early Christians time has witnessed considerable evolution and with evolution comes diversity of practice and belief says author Dr Robert Cornwall This newest addition to the Topical Line Drives series offers a rich but brief stimulus for us to converse about our differences in theology and practice It is Dr Cornwall s hope that such conversations will increase our joy in the experience of this sacrament given to us by Jesus Christ *Marriage Equality* Steven F Kindle,2017-06-16 Support for marriage equality is booming across America and the world As people become more acquainted with gays and lesbians they find their attitudes shifting and are rethinking their opposition not only to same sex marriage but to gay rights in general This book introduces the gay community to those who want to know more about their lives their struggles and their pursuit of full equality If you are giving this serious thought and want reliable information this book is for you It is also for LGBTs who wonder if God loves them and if any Christians are on their side They will find that the Bible is very much on their side It is written from the perspective of a straight Christian pastor who moved from opposition to LGBTs and their movement to fully embracing their cause Through examining the biblical scientific psychological and constitutional evidence a full picture emerges of a common humanity in pursuit of common needs Many myths and lies are debunked and a forthright Christian defense of marriage equality is presented All I Need to Know I'm Still Learning at 80: Ronald Higdon,2017-04-18 How much good has experience done you so far How much good do you expect it will do Those who have lived eight decades in this world often feel the need to write about their life experiences or life philosophies If that person has lived a varied experiential life and shows good spiritual fruit in that life it might be wise of those who are coming after them to read and listen to them and thus learn Ron Higdon has lived such a life and has now written such a book Whether you are considering how to deal with change or how to find some stability whether you are looking for the right answers or just searching for the

right questions this book will look at living in a practical community centered value affirming way Ron has lived those decades and done so thoughtfully Now he s helping the rest of us out So fix yourself a hot cuppa pull up a chair clean your reading glasses and settle in for a chapter or two or more and mark some nuggets of Higdon Gold to consider and meditate on
