Mindfulness-Based Play-Family Therapy: Theory and Practice Dottie Higgins-Klein, 2013-09-09 Incorporating mindfulness and family therapy into play family sessions When a child is offered a space to relax the busy mind his experience is comparable to mindfulness meditation Therapists can help children remain in this calm state in the state of the present moment if they have the right tools and techniques to do so During this stillness a child can reach a level of consciousness that is parallel to the deepened awareness that occurs during mindfulness meditation Conducting play sessions in this stage allows for healing and progress Not only can the symptoms of children s pain be reduced in intensity and duration but their self esteem can be enhanced This book presents a new and comprehensive framework for helping children through play therapy within the context of the family and incorporating ideas from the practice of mindfulness This experience based therapeutic model respectfully derives from the best roots of traditional family therapy and play therapy modalities

Additionally it draws from child development theory interpersonal neurobiology and mindfulness Either spontaneous play or directed play can be used according to the need **Revitalizing Relationships** Catherine Ducommun-Nagy, Hanneke Meulink-Korf, Greteke De Vries, 2023-06-22 This book about revitalizing family and social relationships in an increasingly diverse and polarized world should become a resource for a vast array of professionals in the fields of mental health and social and community services It will also serve as a textbook on contextual therapy and its applications that fills a gap in the literature on this approach It will present it in a highly understandable language using a new terminology Hence this book will meet the needs of many contextual therapists and contextually inspired pastoral counselors at any level of expertise For other professionals this book can open new ways of thinking and new strategies to address many of the situations they are likely to encounter In addition in a format never tried before this book includes a section dedicated to contributions of contextual therapy to practical theology the pastoral process and interfaith studies It will also present the contributions of these studies to the facilitation of interfaith encounters that can serve as a model for any professional working in a multicultural environment The Quick Theory Reference Guide Karin Jordan, 2007 Since the beginning of the concepts of

family therapy mental health professionals have known that the family the system is a powerful source of support for change or a powerful force for resistance to change Some professionals work with individuals some with families and some with groups However all work with the context of the systems family group community country etc Students especially beginning students are overwhelmed and confused at the variety of approaches to working with clients Many programs introduce

students to individual as well as systems concepts in the course of training Students need assistance in learning this variety of theories They need to be able to compare and contrast theories and techniques to determine when and where to utilise the best skills in order to facilitate client change Dr Karin Jordan has compiled a comprehensive text that enables the students to discover each theory as it is presented in its purist form The text is accessible yet the content provides comprehensive knowledge of each theory Dr Jordan has brought together the master educators and clinicians in our fields to write about their particular expertise

Children, Adults, and Shared Responsibilities Marcia J. Bunge, 2012-09-27 This collection of essays by Jewish Christian and Muslim scholars underscores the significance of sustained and serious ethical inter religious and interdisciplinary reflection on children Essays in the first half of the volume discuss fundamental beliefs and practices within the religious traditions of Judaism Christianity and Islam regarding children adult obligations to them and a child s own obligations to others The second half of the volume focuses on selected contemporary challenges regarding children and faithful responses to them Marcia J Bunge brings together scholars from various disciplines and diverse strands within these three religious traditions representing several views on essential questions about the nature and status of children and adult child relationships and responsibilities The volume not only contributes to intellectual inquiry regarding children in the specific areas of ethics religious studies children s rights and childhood studies but also provides resources for child advocates religious leaders educators and those engaged in inter religious dialogue [Martin Buber and the Human Sciences](#) Maurice Friedman, 2012-02-01 The specific focus of Martin Buber and the Human Sciences is dialogue as the foundation of and integrating factor in the human sciences using dialogue in the special sense which Buber has made famous mutuality presentness openness meeting the other in his or her uniqueness and not just as a content for one s own thought categories and knowing as deriving in the first instance from mutual contact rather than knowledge of a subject about an object By the human sciences the authors editors mean material that can be meaningfully approached in a dialogic way hence the humanities education psychology speech communication anthropology history sociology and economics The essays in Martin Buber and the Human Sciences demonstrate that thirty years after Buber s death his influence is still resonating in many countries and in many fields *Try to See it My Way* B. Janet Hibbs, Karen J. Getzen, 2009 A guide to healthy romantic partnerships cites the importance of fairness as an essential component in addition to good communication skills and compatibility in a resource that explains how differences in perceived fairness are at the core of most interpersonal conflicts

Moral Injury in Veterans and Active Duty Military with PTSD Harold G. Koenig, Donna Ames, Arndt Büssing, 2019-12-11 This eBook focuses on a relatively new frontier in psychiatry the topic of moral injury MI which is examined here in the setting of post traumatic stress disorder PTSD among Veterans and Active Duty Military We define MI describe how to identify it by screening explain the impact that MI has on mental health outcomes particularly PTSD and mental health problems often associated with PTSD and provide information on what clinicians can do about it While the focus here is on Veterans and Active Duty Military MI is much more widespread than just among former or current military personnel Healthcare professionals first responders clergy and many patients seeking mental health care are also likely

suffering from MI which is not recognized or treated because clinicians are not familiar with it Burnout among health professionals and those engaged in other high stress occupations may often have MI as an underlying condition that is driving the burnout or related emotional condition Therefore psychiatrists and all mental health professionals must know about this syndrome utilize the tools now available to identify it and learn about interventions that can be employed to treat it Success in treating many of the common mental health conditions that appear resistant to treatment may depend on knowing about this new yet very old syndrome

Dialogically Speaking Kenneth Paul Kramer, 2011-01-01 What makes us authentically human According to Maurice Friedman world renowned Martin Buber scholar translator and biographer it is genuine dialogue When there is a willingness for dialogue Friedman says then one must navigate moment by moment It is a listening process Friedman addresses our humanity in ever unique ways through his dialogue with philosophy literature religion and psychotherapy At least two things make this book new Friedman presents his wide ranging thought directly in five original essays forming an intertextual compass which is then elaborated upon by colleagues familiar with his work Second a special feature of this book is found at the end of each part which invites readers to engage with questions drawn from and pointing toward Friedman's writing The book's intended audience includes teachers scholars and students interested in dialogical approaches to any of the human sciences In a time when we are in danger of losing our human birthright Friedman's interdisciplinary insights point us again to the touch of the other

Thoughts for Therapists Bernard Schwartz, John Flowers, John V. Flowers, 2008 Therapists use words to help guide their clients through difficult times but where are the words that can guide the healers as they develop professionally struggle with difficult cases adapt to changing times Here for practitioners and students is a reference work which contains the best thoughts of the best thinkers in the field of psychotherapy addressing the breadth and depth of what it means to be a therapist Schwartz and Flowers have searched through hundreds of books old and new as well as thousands of journal articles to find those words The book is organized into nine core topic areas and includes quotations the authors own modest reflections relevant case histories anecdotes and references for further reading Clients can be difficult and psychotherapy practice stressful Keep this insightful volume within easy reach for inspiration for guidance for sustenance

Spiritual Presence In Psychotherapy David A. Steere, 2018-10-24 The book is authoritative well reasoned and abounds in wisdom It accurately portrays the deepest meanings of both spiritual presence and psychotherapy and shows interactions This is a pioneering volume the first of its kind It should be the standard text for years to come Wayne E Oates Ph D Professor of Psychiatry Emeritus University of Louisiana School of Medicine In *Spiritual Presence in Psychotherapy* David Steere recognizes the incorporation of this tradition referring to it as spirituality and presents a unique look at this heretofore neglected interface This book is written in response to the need observed by Dr Steere for caregivers who want to accommodate a spiritual dimension in their work For this reason psychotherapists psychologists psychiatrists social workers pastoral counselors nurses all dealing with the

responsibility of treating mental disorders and helping people change will find *Spiritual Presence in Psychotherapy* invaluable The first part of the text discusses the interfaces of psychotherapy and spirituality Dr Steere analyzes the deconstruction of mainstream religion and the rise of psychotherapy against a backdrop of what he calls spiritual homelessness In the second part seven models for spiritual presence in psychotherapy are described These are supernatural expansive empathic developmental sacred crisis and systemic Then in the final portion of the book the focus moves to an integration of responsiveness to spiritual presence in effective and enduring caregiving In addition to the professionals who will find *Spiritual Presence in Psychotherapy* an important resource and reference the book will also serve as a key textbook for graduate level students of professional issues and ethics as well as psychotherapy and spirituality **The Unexpected**

Third Hanneke Meulink-Korf, Aat van Rhijn, 2016-08-01 We believe that a person always stands before God hand in hand with others and at the same time with others before God With these words the authors theologians and therapists alert us to the importance of understanding a person within her or his relational network context This context refers not only to the current relational network but also to the generations before us and the generations to come In this way the conflicts of the past generations but also their resources influence the people of the current generation and this in turn has an influence on the unborn generations Family loyalty predetermines the choices we make and the priorities we set How can family loyalty be a liberating motivation as a legacy for living with each other but also for meeting with others outside the family and even outside their own heritage and influences regarding e g ethnicity culture politics and religion church The aim of the contextual pastoral care approach is to develop a greater understanding between people and culture within their specific contexts and participate in restoring trust and trustworthiness within their relations In this way God is in our midst on our journey towards fairness trust and hope This intergenerational dialogical approach was inspired by the work of the Hungarian American family therapist and psychiatrist Ivan Boszormenyi Nagy and was later in turn inspired by scholars such as Martin Buber and Emmanuel Levinas *The Unexpected Third* is used in many pastoral courses academic post academic and practical in the Netherlands and in Eastern Europe It is received as a meaningful contribution to Practical Theology and Pastoral care for individual counselling family care and also for reworking certain conflicts in the parish and community
