Final Vows Karen Kingsbury,2017-03-07 A New York Times bestselling author and former Los Angeles Times reporter chronicles the marriage between a Christian woman and an ex con that ends in murder When Carol Montecalvo began writing to a man in prison through a program at her church she considered it her Christian duty But the letters soon became her lifeline something she actually looked forward to sending and receiving She fell in love with the man behind the letters and just before Dan was released they wed in the prison chapel Their marriage lasted nine years until the fateful night

when Dan stoically called 911 to report his wife's murder. With a half million dollar insurance policy riding on his wife's death and a string of adulterous affairs in his past, Dan is the most obvious suspect. But is this former felon really guilty? Or could he actually be a grieving widower in the wrong place at the wrong time? In this powerful true crime account of the gruesome murder and sensational trial that followed, New York Times bestselling author Karen Kingsbury weaves an emotional story that leaves readers guessing until the final harrowing conclusion.

The Chance Karen Kingsbury, 2013-03-05

From the New York Times bestselling author of *Someone Like You* comes a heartwarming story about childhood friends, broken lives, and an age-old promise proving it's never too late for love. Years ago, the day before Ellie moved from Georgia to California, she and her best friend Nolan sat beneath the Spanish moss of an ancient oak tree and wrote letters to each other, sealing them in a rusty old metal box. The plan was to return eleven years later and read them. In 2013, the year Nolan's time traveling books say all the mysteries of the world will be understood, now as that date approaches, much has changed. Ellie, bereft of the faith she grew up with, is a single mom living in a tired apartment and trying to make ends meet. Nolan, now an NBA star, has dealt with terrible personal tragedies that fueled his faith and athletic drive in equal measure. Ever since his father and coach succumbed to a heart attack, Nolan has suffered from a transcendent loneliness. Drowning in an ocean of grief, he often thinks about Ellie and the innocence of their childhood days together. As Ellie and Nolan move toward the possibility of a reunion at the oak tree, Molly and Ryan, the central characters from author Karen Kingsbury's previous novel *The Bridge*, return in their own ongoing story. Written by the Queen of Christian Fiction, Time with eloquence and grace, *The Chance* is a beautiful tale of heart-wrenching loss, the power of faith, and the wounds that only love can heal.

Deadly Pretender Karen Kingsbury, 2017-03-07 A New York Times bestselling author and former Los Angeles Times reporter's account of a con artist and bigamist who resorts to murder to hide his double life. David Miller had a dream job and a beautiful family. But one perfect life wasn't enough. So he pretended to be an attorney, then a CIA agent. And he secretly married another woman. He juggled it all quite well until the day his two wives found out about each other. Miller groped for ways to hold on to his finances and reputation. But when he tried using a gun to silence his second wife, his carefully constructed facade of power and wealth exploded. In *Deadly Pretender*, New York Times bestselling author Karen Kingsbury dives into the tangled world of deceit, greed, and lust to reveal what drove a seemingly upright citizen to live a double life and then to commit the unthinkable.
