Wilcox, 2016-06-28 Abraham Joshua Heschel said that We are closer to God when we are asking questions than when we have the answers He believed that to be a Christian is not to be a person who knows all the answers but one who lives in the part of the self where the question is constantly being born Most of us don't think very much about our questions In our culture we are accustomed to being able to find out answers to nearly any question just by typing it into Google search or asking Siri But behind any answer there is always a question Sometimes the question isn't clear to us sometimes it is not very well articulated even to ourselves But it is always there In over thirty years as a psychotherapist and spiritual director Peter C Wilcox has seen how the questions people ask themselves have shaped their lives in some very important ways This book is
