effectiveness of a recreational program **Understanding Gender in the African Context** Kurebwa, Jeffrey, 2020-04-10
One of the most significant dimensions of gender studies is that it is political. It raises questions about power in society and how and why power is differentially distributed between different genders. It asks questions about who has power over whom in which situations, how power is exercised, and how it is and can be challenged. Different theories and perspectives within gender studies have different approaches to these questions and look for answers in different social processes. Many debates are on going as new data is revealed and new theories are put forth. *Understanding Gender in the African Context* is a scholarly reference that explores the complexities of the ideologies and social patterns that contribute to the field of gender studies. Featuring a range of topics such as human rights, feminism, and social media, this book is ideal for policymakers, sociologists, social scientists, civil society organizations, government officials, academicians, researchers, and students.
