Walking With Jack A Fathers Journey To Become His Sons Caddie:

Walking with Jack Don J. Snyder, 2013-05-14 A long standing promise from a father to his five year old son A poignant diary that chronicles the journey When Don Snyder was teaching the game of golf to his young son Jack they made a pact if one day Jack became good enough to play on a pro golf tour Don would walk beside him as his caddie Years later Jack had developed into a standout college golfer and Don at the age of fifty eight left the comfort of his Maine home and moved to St Andrews Scotland to learn from the best caddies in the world He worked loops on famed courses like the Old Course and Kingsbarns fought his way onto the rotation as a full time caddie and recorded the fascinating stories of golfers from every station in life All the while he lived like a monk and sent his earnings back home A world away Jack endured his own arduous trials rising through the ranks and battling within the college golf system At times the question for the teenage athlete wasn't how to continue but whether to continue at all Finally Don and Jack approached the moment when they would reunite and not only tackle an extraordinarily high level of golf competition but also confront the challenges of a father son relationship that had inevitably changed since the days when their journey began *Walking with Jack* is a truly compelling golf story and a one of a kind narrative that makes you appreciate the lengths to which a father will go to support his son
