

VOODOO SCIENCE

The background of the book cover is a painting of a complex, multi-level highway interchange. The roads are depicted in shades of yellow, orange, and brown, with white dashed lines indicating lane markings. The perspective is from an elevated position, looking down at the winding paths of the interchange. A white arrow, composed of several rectangular blocks, points forward along one of the roadways. The overall style is somewhat abstract and expressive, with visible brushstrokes.
