TradeStation Made Easy Using EasyLanguage To Build:

TradeStation Made Easy! Sunny J. Harris, 2011-03-04 Customize your trading plan for greater profits using the most popular charting software. The majority of professional and individual traders use some kind of trading software on which to base their strategies. With over 100 000 users, the most popular trading software today is TradeStation published by TradeStation Technologies. While this software is favored by many, TradeStation's computer language can be confusing especially for the novice. TradeStation Made Easy is the first and only book to explain exactly how to use the unique computer language behind this bestselling software program. It is not meant as a replacement for the TradeStation manuals; instead, it will cover the essence of programming in EasyLanguage and focus on a consistent set of data and an elementary system throughout. An easily understood guide to TradeStation that also provides tips for the user in designing a personalized trading system. Endorsed by the software provider TradeStation Technologies. Written in a straightforward manner that is accessible even for those with little computer experience. TradeStation Made Easy fills a much needed gap in this area and puts the basics of EasyLanguage in perspective. With it, you'll be able to write simple and intermediate programs that will accurately express your theories and ideas about whatever market interests you.

Using EasyLanguage 9.X Murray A. Rugguero, William Brower, Arthur G. Putt, 2014-06-18 The majority of professional and individual traders use some kind of trading software on which to base their strategies. With over 100 000 users, the most popular trading software today is TradeStation published by TradeStation Technologies. While this software is favored by many, TradeStation's computer language can be confusing especially for the novice. Using EasyLanguage 9.x is the new and highly updated version of several earlier editions familiarly called the Putt Book. Previous editions were aimed at earlier versions of TradeStation 4.0 and 2000i and were each best selling TradeStation books. Sunny J.
