Victims No Longer Men Recovering From Incest And Other Sexual Child Abuse:

Victims No Longer Mike Lew,1993 Written by an American psychotherapist and group therapy leader this book offers advice to men who are survivors of childhood sexual abuse It aims to help them to identify and validate their childhood experiences explore strategies of survival and healing work through issues such as trust intimacy and sexuality establish a support network for continued personal recovery and set goals for the future **Victims No Longer (Second Edition)**

Mike Lew,2004-05-11 For millions of men on the path to recovery *Victims No Longer* is the next step The first book written specifically for men *Victims No Longer* examines the changing cultural attitudes toward male survivors of incest and other sexual trauma Now in this Second Edition this invaluable resource continues to offer compassionate and practical advice supported by personal anecdotes and statements of male survivors *Victims No Longer* helps survivors to Identify and validate their childhood experiences Explore strategies of survival and healing Work through issues such as trust intimacy and sexual confusion Establish a support network for continued personal recovery Make choices that aren t determined by abuse Psychotherapist Mike Lew has worked with thousands of men and women in their healing from the effects of childhood sexual abuse rape physical violence emotional abuse and neglect The development of strategies for recovery from incest and other abuse particularly for men has been a major focus of his work as a counselor and group leader Thoroughly updated and revised and including an expanded Resources section *Victims No Longer* educates survivors and professionals about the recovery process speaking to the pain needs fears and hopes of the adult male survivor **The Male Survivor** Matthew

Parynik Mendel,1995 This landmark study examines the largest clinical sample to date of male survivors of sexual abuse in childhood Using data from his nationwide North American survey the author reveals that such abuse is extensive thus dispelling myths regarding the invulnerability of males Mendel argues that various societal myths have led to a profound under recognition of male childhood sexual abuse He proposes that increased attention to and acknowledgement of male victimization is needed in order to reduce both the stigma and isolation of male survivors and the incidence of abuse The author also suggests modifications to conceptual frameworks related to the long term impact of childhood sexual abuse to apply specifically to male *Gay Men and Childhood Sexual Trauma* James Cassese,2016-01-20 Learn powerful techniques

for healing the scars of early sexual abuse in gay men The first book of its kind *Gay Men and Childhood Sexual Trauma Integrating the Shattered Self* addresses the specific therapeutic needs of gay men in recovery All too often gay men hide their childhood memories of being sexually victimized because of fear shame and the stigma of stereotypes which equate homosexuality with child abuse Some gay men may view these histories as rites of passage and dismiss other perspectives as betrayals of their community or inadvertant support for the anti gay agenda of the religious right Certain therapists and so called support groups ridicule them as hysterics with false memories Groups like the North American Man Boy Love Association or the Rene Guyon Society dismiss the source of their anguish as wishful thinking or a healthy consensual

intergenerational romance Finally here is a book that addresses the unique emotional and psychological needs of gay male survivors of sexual abuse *Gay Men and Childhood Sexual Trauma* offers new hope by separating the crime of pedophilia from the consensual intimacy of an adult male same sex relationship It provides specific guidance for therapists working with gay men either in individual or group therapy settings and offers practical treatment suggestions as well as moving insights into the painful conflicts gay men may have in accepting their own sexuality and revealing their status as child survivor of an adult sexual predator *Gay Men and Childhood Sexual Trauma* discusses practical ways to help the survivor heal including adopting eye movement desensitization and reprocessing techniques to treat traumatized gay men helping gay men to break the old arousal patterns associated with their abusers handling survivors formidable issues of trust addictions depression and low self esteem leading survivor groups of mixed sexual orientation discerning the special meaning of HIV to traumatized gay men respecting cross cultural differences in treating the gay male sexual trauma survivor finding new directions for research This powerful volume offers sufficient technical detail to be useful for the therapist working with gay men yet it is written with enough clarity and compassion to be used as bibliotherapy for men just coming out as gay as survivor or as both *Gay Men and Childhood Sexual Trauma* is an essential resource for mental health professionals as well as for gay men who have themselves survived sexual abuse or who love someone who did

Sexual Abuse of Males Josef Spiegel, 2013-08-21 Based on hundreds of case histories this book examines the sexual abuse of boys from the perspectives of victim perpetrator It adopts a psychosocial context seeks to develop a multidimensional understanding of dynamics effects

Understanding the Sexual Betrayal of Boys and Men Richard B. Gartner, 2017-08-15 *Understanding the Sexual Betrayal of Boys and Men* The Trauma of Sexual Abuse is an indispensable go to book for understanding male sexual victimization It has become increasingly clear since the 1980s that men and boys like women and girls are sexually abused and assaulted in alarming numbers Yet there have been few resources available to victims their loved ones or those trying to help them Richard B Gartner was in the vanguard of clinicians treating male sexual victimization and has written extensively about it initially in professional papers then in his landmark 1999 book for clinicians *Betrayed as Boys* Psychodynamic Treatment of Sexually Abused Men continuing with his 2005 work *Beyond Betrayal Taking Charge of Your Life after Boyhood Sexual Abuse* He has been a tireless teacher clinician and advocate for male victims of sexual abuse in the classroom the lecture hall and of course the consulting room as well as in newspaper television radio and online interviews Dr Gartner has gathered together expert colleagues from the trauma psychoanalytic medical and survivor treatment fields Together they have created a comprehensive guide to what was once thought to be a rarity but now is clearly an all too common occurrence *Understanding the Sexual Betrayal of Boys and Men* looks at the realities of male sexual victimization guiding clinicians and lay people alike to understand the complexities of the devastation it causes in victimized boys and men It considers topics as diverse as sexual assault in institutions like the military sports teams schools universities and religious organizations sex trafficking of boys

and adolescents neurobiology and brain chemistry of male survivors of sexual abuse gender and sexual dysfunctions and confusions resulting from sexual exploitation and trauma physicians treatment of sexually abused men s medical problems socio cultural influences on processing and treating men s and boys sexual victimization Understanding the Sexual Betrayal of Boys and Men is required reading for anyone working with male victims of sexual abuse and assault at any level psychotherapists rape counselors attorneys journalists guidance counselors physicians clergy graduate students and lawmakers and helpful to lay people interested in this often unrecognized problem

Reclaiming Your Life Rik Isensee,2005-02-14 Growing up gay in a homophobic culture can resemble growing up in a dysfunctional family Reclaiming Your Life offers a soothing approach to healing from homophobic abuse addictions and self defeating behavior If you are a gay man who grew up in a dysfunctional family or were abused be kind to yourself and read this book It s full of validation understanding common sense and wise guidance like a good friend Ellen Bass coauthor of The Courage to Heal a wealth of information it should be required reading for all gay men and their loved ones Lambda Book Report *Psychotherapy with Male Survivors of Sexual Abuse* Alan Corbett,2018-04-17 This book provides the long history of male sexual abuse based on the author s extensive clinical experience of working with children and adult victims of sexual crime It presents several sexual abuse studies focusing on the challenging art of psychotherapeutic treatment *The Cry of Tamar* Pamela

Cooper-White,2013-06-24 In this comprehensive practical and gripping assessment of various forms of violence against women Pamela Cooper White challenges the Christian churches to examine their own responses to the cry of Tamar in our time She describes specific forms of such violence and outlines appropriate pastoral responses The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence **The Cries of Men** O'Brien Dennis,2005 The Cries of Men tell the candid and true personal accounts of rape and sexual abuse from the voices of young Jamaican men The Cries of Men shares the candid and true personal account of rape and sexual abuse from the voices of young Jamaican men By providing an in depth look into their secret lives author O'Brien Dennis demonstrates how one act of sexual violence can have a devastating effect on adult survivors The Cries of Men takes a virgin journey of homophobia in the realm of Jamaica s social fabric Dennis reveals the powerful and intriguing stories of Jamaican male sexual abuse survivors but also divulges unknown facts about Jamaican society including the concept that homosexuality is an evil act punishable by imprisonment of up to ten years of hard labor Yet each week in Jamaica there are over fifteen reported cases of sexual abuse of young men and boys many more cases go unreported because men fear for their lives if they disclose the abuse Dennis also provides a list of resources to assist in recovering from sexual abuse The cries of men have been kept silent far too long in Jamaica Dennis will inspire you with his own personal story of survival and will teach you that through the truth you can create your own happiness **Healing the Wounded Heart** Dan B. Allender,2016-02-23 First published in 1989 Dan Allender s The

Wounded Heart has helped hundreds of thousands of people come to terms with sexual abuse in their past Now more than twenty five years later Allender has written a brand new book on the subject that takes into account recent discoveries about the lasting physical emotional relational and spiritual ramifications of sexual abuse With great compassion Allender offers hope for victims of rape date rape incest molestation sexting sexual bullying unwanted advances pornography and more exposing the raw wounds that are left behind and clearing the path toward wholeness and healing Never minimizing victims pain or offering pat spiritual answers that don t truly address the problem he instead calls evil evil and lights the way to renewed joy Counselors pastors and friends of those who have suffered sexual harm will find in this book the deep spiritual guidance they need to effectively minister to the sexually broken around them Victims themselves will find here a sympathetic friend to walk alongside them on the road to healing

Childhood Sexual Abuse Karen L. Kinnear, 2007-01-19 This work is an important new edition of a classic study one of the few exhaustive examinations of childhood sexual abuse available with 40 percent new material Even though it is as old as human history child sexual abuse has generally remained a dark and well hidden secret Only in the last few decades has it become a topic of open public debate and scientific research and we still have more questions than answers How often are accusations of sexual abuse legitimate and how often are they the result of false memories Can sexual offenders be cured or will they ultimately re offend These are only a few of the difficult questions this volume seeks to answer Childhood Sexual Abuse A Reference Handbook explores the many ways we define child sexual abuse in the United States and in different parts of the world and how those differences are represented in U S and international laws It summarizes what we know about how to intervene treat and prevent childhood sexual abuse effectively and tells the stories of individuals who have had a dramatic effect on the handling of childhood sexual abuse For students social workers teachers policymakers parents and concerned citizens this work offers

a one stop multifaceted discussion of one of the major issues facing children and their families Sex Crimes and Offenders Mary Clifford, Alison Feigh, 2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions When the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple Structured in five parts Sex Crimes and Offenders Exploring Questions of Character and Culture uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing sex crimes defining the parameters of sexualized violence and sexual violence prevention The goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate to the degree possible all future harms The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims Essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing Finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms Additional resources for Instructors including PowerPoint Lecture Notes and Test Banks are provided Art Therapy with Families in Crisis Debra Greenspoon Linesch, 1993 Describes art therapy usage for particularly dysfunctional families explaining the connections between the creative and the curative processes in meeting these families needs *Treatment of Child and Adult Survivors* Byrgen P. Finkelmann, 2013-08-06 First published in 1995 This is Volume five of a series that looks at the developmental stages in addressing the complex and social problem of child abuse The articles in this volume address the treatment of child victims and adult survivors of childhood sexual physical and emotional abuse and neglect Where physical abuse is concerned treatment of victims and survivors lagged far behind the treatment of sexual abuse victims and survivors This may be due in part to the fact that in cases of physical abuse with its physical manifestations that heal more attention is paid to the immediate physical safety of children than to their short and long term emotional needs Thereafter the focus of treatment tended to be on parents in hopes of preventing further abuse rather than on the abused children
