The Work of the Associate Pastor Alan R. Rudnick, 2012 In The Work of the Associate Pastor author Alan R Rudnick presents the associate pastorate as equally important but distinctively different from the role of senior or solo pastor Within these pages readers will Explore the diverse roles and responsibilities that fall under the associate umbrella Embrace associate ministry as more than training ground for a senior pastorate Discover the challenges and opportunities for associate pastors The book s appendix offers these practical resources for churches How to plan for an associate Sample job descriptions Compensation guidelines Associate ministers also will find a personal assessment helpful in discerning when to stay and when to leave their associate position Whether you are an associate pastor a senior pastor a seminarian or a member of the church staff or pastoral relations committee this guide will provide valuable insight into one of the most undervalued and misunderstood ministries in the life of the church Book jacket *Help, I'm New in the Ministry* Pastor John H. Smith Jr, 2010-03-01 This book was written from the author s experience as an Associate Minister for over 15 years Rev J H Smith Jr seeks to share valuable words of advice and suggestions that will help those who are new in the ministry or in need of a fresh perspective This book is highly recommended as a gift for those who have recently been licensed to preach or as a leadership training tool for Pastors Easy reading and practical applications addressing real challenges of the ministry make this book a must have and one that will greatly enrich the lives of its readers If you are or know someone who has been called to preach then you need this valuable resource *Help I m New in the Ministry* **Dr. Hand's Mind On** Dr. Allen Hand, 2022-04-15 Every once in a while I get a chance to listen to broadcasts on radio or watch networking on television And the more and more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such via comments discussions lectures preachings teachings etc Every so often it is spiritually impressed upon me I get led to deal with some of the monumental misunderstandings that menaces the messianic ministry mission momentum motion motive and movement There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive and one is offensive The offensive tactic strategy way to guard against it is to constantly teach and preach against it thereby exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word of God the defensive tactic strategy way to guard against it is to block or prevent it from entering

your mind by literally putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation The material presented in this book is just a way to help us fight defensively and offensively by first knowing what we need to fight against As a side note the state of apostasy of the professing church is the final stage of the religious order just prior to the Rapture which is phase one of two of our Christ s Second Coming I strongly admonish and request that each believer in Jesus Christ adopt the same attitude and mentality that the church of Berea adopted in the word of God especially when it comes to the word of God
