Two Views on the Doctrine of the Trinity Stephen R. Holmes, Paul D. Molnar, Thomas H. McCall, Paul Fiddes, 2014-09-02 Christians have always believed in the triune God but they haven't always understood or used the doctrine of the Trinity consistently. In order to form a coherent view of trinitarian theology it's important for Christians to have a working knowledge of the two legitimate models for explaining this doctrine. Classical presenting a traditional view of the Trinity represented by the Baptist theologian Stephen R. Holmes and the Roman Catholic theologian Paul D. Molnar. Relational presenting the promise and potential hazards of a relational doctrine represented by the evangelical theologian Thomas H. McCall and the Baptist philosopher Paul S. Fiddes. In this volume of the Counterpoints series leading contributors establish their models and approaches to the doctrine of the Trinity or the relationship between the threeness and oneness of the divine life. Each expert highlights the strengths of his view in order to argue how it best reflects the orthodox perspective. In order to facilitate a genuine debate and to make sure that the key issues are revealed each contributor addresses the same questions regarding their trinitarian methodology, doctrine, and its implications. *Trinity Dogma - The Book* Edward Glen Palmer, 2009-06 Trinity Dogma exposes the mythology of the Christian trinity doctrine by showing the reader actual Bible Scriptures which identify God in the New Testament. Jesus Christ provided the full identity of God in the New Testament. Apostle Paul confirms the identity of God which Jesus provided. For 1684 years since the Catholic Church's council of Nicea in 325 AD Christians have been misled about God's identity and the nature of Jesus Christ. Now with the benefit of modern Bible software the truth is revealed for all who seek it. Who is our God? What is the true nature of Jesus Christ? Was Jesus God or just a human? The truth will amaze you and you can follow along with your own Bible seeing it for yourselves. Trinity Dogma will shock Christianity into reexamining itself and this book will be banned by Orthodox churches. Find out for yourself what God has shown the Apostle Edward in Scripture. The Trinity Gilles Emery, 2012-08-07 A sound introduction to a crucial doctrine. Emery's prose is scholarly yet widely accessible at once traditional and constructive. Themelios. Representing the highest quality of scholarship, Gilles Emery offers a much anticipated exploration to Catholic doctrine on the Trinity. His extensive research combined with lucid prose provides readers a resource to better understand the foundations of Trinitarian reflection and addresses all who wish to benefit from an initiation to Trinitarian doctrine. The path proposed by this introductory work comprises six steps from liturgical and biblical ways for entering into Trinitarian faith to the creative and saving action of the Trinity. The book concludes with a doctrinal exposition of the missions of the Son and Holy Spirit that is the salvific sending of the Son and Holy Spirit that leads humankind to the contemplation of the Father. Trinitarian doctrine is not easy but Emery with his translator has rendered it intelligible and attractive. Exegetes, theologians, historians, and liturgists alike will find the Trinity related to their discipline. Most importantly, The Trinity will prepare its readers to enter higher levels of discussion about the Trinity. Sacra Pagina.

The Triune God Edmund J. Fortman, 1999-02-23 A primary condition for fresh thinking on the Trinity is an accurate objective account of past and present thought wrote one reviewer when The Triune God first appeared in 1972 This is what Fortman has presented sensitively accurately and compactly The author sets out to trace the historical development of Trinitarian doctrine from its written beginnings to its contemporary status Thus he treats the biblical witness the Council of Nicea Augustine the Middle Ages and the development of this doctrine from the fifteenth century to the present in the Protestant Orthodox and Catholic traditions

One God in Trinity Peter Toon, James D. Spiceland, 2020-07-20 The dogma of the Holy Trinity is the fundamental and primary Christian doctrine It has been held by orthodox Christians that to loose or diminish this doctrine is to begin to descend a slippery slope leading to the loss of Christianity itself Yet at the level of the local church there may be discerned a general feeling that the Trinity is both difficult to understand and unimportant that to have faith in Jesus and to love one's neighbor is what Christianity is all about Despite the recital of creeds or the use of the trinitarian formula in The Grace most Christians appear in practice not to integrate their experience and knowledge of God the Father Son and Holy Spirit Here eleven men from five countries combine to present a report and analysis of the way in which the doctrine of the Trinity has been and is being discussed in recent theology and by distinguished theologians They all write from within a commitment to orthodoxy but they recognize that in our modern day we need to find new and attractive ways of presenting and expounding this ancient truth

The Quest for the Trinity Stephen R. Holmes, 2012-10-03 Stephen Holmes tells the saga of the Christian doctrine of God hoping to provide some reflective distance on today's revival in Trinitarian studies We witness the church's discovery of the doctrine from Scripture its crucial patristic developments its medieval and Reformation continuity and its fortunes since the advent of modernity

The Tyranny of the Trinity P.R. Lackey, 2008-07-29 For 1700 years the Trinity has been considered the cornerstone of Christianity by all mainstream churches But the Bible's words for God appearing thousands of times never mean a triune God The concept of the Trinity has been taught to churchgoers based solely on implication and inference The truth is the Scriptures don't support the doctrine of the Trinity but it has been indoctrinated into the minds of otherwise intelligent and well educated Christians and perpetuated as a mystery not meant to be understood The majority of Christians have not bothered to investigate the doctrine for themselves and consequently have been duped Ms Lackey suggests that far too many Christians attend church with the attitude Tell me pastor what do I believe today Ms Lackey expressed her resentment at being accused of being a heretic not being a Christian and being condemned to hell because of her strong belief in the human Jesus the Messiah and Son of God as opposed to being the one Almighty God Her strong conviction led her to collaborate with biblical Unitarian authors to create a book that challenges the centuries old man made doctrines of the Trinity the mainstay of ecclesiastical tradition Ms Lackey sees the Trinity as blight on the true Christianity taught by Jesus Christ for the benefit of humanity and feels Trinitarian Christians have traded Hebrew theology for Geek mythology with barely a question asked She further contends

that the majority of Christians believe in the Trinity primarily because they are expected to Not to accept this dogma would place them under condemnation from both their brethren and the clergy Ms Lackey invites churchgoers everywhere to consider that they may have been drawn into a thinly veiled polytheism a belief in more than one God She adamantly contends that Christians must take more responsibility for their beliefs and stop settling for centuries old creeds and doctrines as scriptural truth The cover illustration depicts the agony experienced by Michael Servetus a brilliant Spanish physician and theologian who as one of the first Protestants to challenge the Trinity was slowly burned at the stake in 1553 his book fastened to his thigh at the instigation of the Protestant reformer John Calvin *The Trinity* Woodrow Wilson Whidden, Jerry Moon, John W. Reeve, 2002 Among Seventh day Adventists the doctrine of the Trinity is often taken for granted But increasingly it is opposed by a small minority who have retreated to the anti Trinitarian position of the pioneers In response the authors each a specialist in his field trace the doctrine of the Trinity through Scripture church history and the writings of Ellen G White The first section surveys the biblical foundations of the doctrine and addresses objections that have been raised Other sections trace the development of the doctrine in Christian history in Adventist history and in the writings of Ellen White The authors explain why the doctrine was resisted by many of the leading pioneers The final section asks So what It discusses the theological and practical implications of Trinitarian belief worship and practice showing how it affects what we believe about salvation atonement the great controversy and other significant doctrines With glossaries bibliography and index this comprehensive primer on the Trinity will shed new light on the central beliefs of Christianity and show how God still leads His church into all truth Introduction SECTION ONE The Biblical Evidence for the Full Deity of Christ the Personality of the Spirit and the Unity and Oneness of the Godhead Chapter 1 The Strongest Bible Evidence for the Trinity Chapter 2 The Full and Eternal Deity of Christ Part I The New Testament Epistles the Old Testament and the Gospels Chapter 3 The Full and Eternal Deity of Christ Part II The Gospel of John Chapter 4 The Personality and Deity of the Spirit and the Triune Oneness of the Godhead Chapter 5 Trinitarian Evidences in the Book of Revelation Chapter 6 Biblical Objections to the Trinity Chapter 7 Logical Objections to the Trinity SECTION TWO The History of the Trinity Doctrine From A D 100 to A D 1500 SECTION THREE Trinity and Anti Trinitarianism From the Reformation to the Advent Movement SECTION FOUR The Doctrine of the Trinity and Its Implications for Christian Thought and Practice Index *The Trinity* Rose Publishing, 2022-05-03 The Trinity is one of the most central doctrines in Christianity one of the tenets that is completely unique to the Christian faith This full color pamphlet explains the Trinity in clear easy to understand terms and illustrations This basic booklet with a simple explanation of the Trinity also answers 6 common misunderstandings about God the Father Son and Holy Spirit It provides a basic study for those wishing to understand their faith and the Trinity How to Explain the Trinity The Trinity Defined The Trinity is one of the great mysteries of the Faith Defining the Trinity is both simple and complex God is One yet God exists in 3 Persons Father Son and Holy Spirit It is a biblical concept that goes

The Trinity Hans Schwarz,2017-09-15 In the last thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among systematic theologians The topic has been mined for many different interests from liberation theology to feminist interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really scripturally tenable with regard to the Trinity and what is unwarranted theological construction or even speculation Through this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape here is a story how the doctrine of the Trinity developed over the subsequent centuries from the traces in Scripture to a centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to speculation What are we to make of this doctrine How do we articulate the biblical faith today

Should Christianity Abandon the Doctrine of the Trinity? Michael Barber,2006-11 This is a highly controversial exposition

of a doctrine which has dominated Christianity for two thousand years The book takes apart piece by piece the very foundation that so many religions use to support the belief that there are three persons in one God It analyses the major scriptural references pointed to in Trinity support texts and examines them in the light of biblical context and by original language comparisons World renowned authorities on biblical Hebrew and Greek are sought for their views on these key scriptures This is a compelling book which turns the very foundation of Christianity onto its head *A Brief History of the Doctrine of the Trinity in the Early Church* Franz Dünzl, 2007-10-30 Franz Dünzl gives an account of the formation of the doctrine of the Trinity in a narrative based on contemporary sources as he remarks in the preface he wants to describe the human struggle over the truth of the Christian image of God and as far as possible let the early Christians speak for themselves His main concern is to describe the dynamic of the disputes over the theology of the Trinity in a vivid way which is easy to follow pointing out the foundations of the doctrine and the decisive shifts in its development He tries to see the often bitter discussion not as a barren dispute but as an evolutionary process in which the rivalry is a necessary and positive factor in moving the debate forward After an introduction to the problem the book describes the beginning of christology and the first models of the relationship between Father and Son it then describes the controversies leading up to the Council of Nicaea which are discussed at length going on to show how Nicaea didn't settle the question and continuing the account up to the Council of Constantinople in 381 It brings out the political influences which governed this second stage of the discussion in an illuminating way A survey and bibliography round the book off Systematic Theology, Volume 2 Katherine Sonderegger, 2020-11-03 Katherine Sonderegger follows her monumental volume on the doctrine of God with this second entry of her Systematic Theology which explores the doctrine of the Holy Trinity Locating her analysis first in the Hebrew Scriptures Sonderegger examines the thrice holy God that is proclaimed to Isaiah in the sanctuary and manifested in the sacrifice of the temple The book of Leviticus read in conversation with Exodus unfolds the doctrine of the Trinity under the character of holiness In the one God Trinity speaks of the life movement and self offering of God who is the eternal procession of goodness and light In Israel's sacrificial covenant the triune God is perfect self offering the eternal descent of the Father of Lights is the offering who is Son eternally received and hallowed in the one who is Spirit Anchoring the theology of the Trinity in Israel's Scriptures in this way elevates the processions over the persons exploring the mystery of the Divine Life as holy rational and good The Divine Persons named in the New Testament cannot be defined but may be glimpsed in the notion of perfection a complete and perfect infinite set In all these ways the Holy Trinity may be praised as the deep reality of the life of God **CDhp: Holy Trinity, The: Understanding God's Life** Holmes Stephen R, 2011-09-01 Stephen Holmes offers the reader a clear and thorough examination of the doctrine of Testament to the present day Taking the late twentieth century revival of the doctrine of the Trinity as a context doctrine from the biblical text to the present day The book traces the exegetical and philosophical debates that led to the settling of the ecumenical doctrine of the Trinity in

the fourth century and then explores how this doctrine was developed questioned and received throughout history

The Christian Layman: Or the Doctrine of the Trinity Fully Considered, According to the Bible Benjamin Parsons, 2008-12-04 This book is an unedited reprint of *The Christian Layman Or the Doctrine of the Trinity Fully Considered According to the Bible The Second Edition Corrected and Abridged with an Appendix By a Christian Layman Benjamin Parsons* published in 1842 First edition 1840 It is my design to bring forward and display all the testimony of God which can have any relation either directly or indirectly to my subject It is not well to say as has been said that some parts of the Bible are contrary to or inconsistent with reason because if both are the gifts of God both his organs of speech or his instruments of revelation they cannot be contradictory they must be consistent with each other Search the Scriptures for it is they which testify of God and of Christ pp 2 4

SECTION 3 NEW TESTAMENT TEXTS TREATING OF THE DIVINE PERSONS SEVERALLY In demonstrating the dogma of the Most Holy Trinity from those texts of Sacred Scripture which treat of the Divine Persons severally we shall have to establish three distinct truths i The reality of each Divine Person in contradistinction to mere personification 2 the noncoincidence of each Person with the others in contradistinction to the Sabellian heresy which confuses them and 3 the Divinity of each Person in opposition to the Arian and Macedonian doctrine that the Son or the Holy Ghost is a creature As Logos is manifestly synonymous with Son of God and Paraclete with Holy Ghost there cannot be five Divine Persons but only three To establish the hypostatic difference of these three is the purpose of the first two members of this argument while the third shows forth the absolute unity of the Divine Nature possessed by the three Persons of the Blessed Trinity in common The most important part of our task in this Section is to establish the true Divine Sonship of Jesus Christ 43 a conception which fully harmonizes with the dogma of the Blessed Trinity and sets forth with great clearness its two fundamental marks viz Trinity and Unity For as Gossler pertinently observes Belief in and knowledge of the Triune God is conditioned upon belief in and knowledge of the Son of God 1 The combined results of exegetical research ultimately lead to the dogma of a real Trinity of Persons in one divine and indivisible Monad ARTICLE i OF GOD THE FATHER i God s Fatherhood In The Figurative Sense Of The Term The Biblical use of the name Father indicates that He to whom it is applied is a real person It also proves His Divinity But it does

The Trinity and the Kingdom Jürgen Moltmann, 1993-09-01 An excellent introduction to the prophets and the prophetic literature The goal of the book is to understand the thought of the prophets in their historical contexts and to communicate that understanding for our time Its approach while innovative builds upon the best of contemporary analysis of the prophetic literature Gene M Tucker Candler School of Theology Emory University Koch's first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap He displays the individuality of each prophet with perceptive insight but he also compares and interrelates them in his various summaries Furthermore Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades
