Petrarch in early modern Britain Marie-Alice Belle, Riccardo Raimondo, Francesco Venturi, 2025-08-05 Translating

Petrarch in early modern Britain gathers twelve essays by international scholars focusing on the translation of Petrarch s vernacular verse Canzoniere and Triumphs into English from the Tudor age to the mid seventeenth century and beyond Approaching translation as an interpretive process but also a mode of literary emulation and cultural engagement with Petrarch s prestigious precedent the collection explores the complex and interconnected trajectories of both poetic works in English and Scottish literary milieux While situating each translation in its distinct historical material and literary context the essays trace the reception of Petrarch s works in early modern Britain through the combined processes of linguistic and metric innovation literary imitation musical adaptation and cultural and material domestication The collection sheds light on

the origins and development of early modern English Petrarchism as part of wider transnational and indeed translational European literary culture The Gubbio Studiolo and Its Conservation: Italian Renaissance intarsia and the conservation of the Gubbio studiolo Olga Raggio, Antoine M.
