Useless Beauty Ecclesiastes Through The Lens Of Contemporary Film:

Useless Beauty Robert K. Johnston, 2011-12-16 A wise old adage of faith states Read the newspaper in one hand and the Bible in the other The slogan is an invitation to notice the complex engagement of faith and culture In *Useless Beauty* Johnston takes up the interface of faith and culture with specificity and immediacy His discussion permits an instructive dialogue whereby we read Ecclesiastes differently and we read contemporary film with fresh eyes of faith Neither the text nor the films can be easily dismissed as absurd Both are thickened and we are driven deeper in our self discernment by the process Johnston's alertness and urbaneness constitute a model for faith that is not simplistic and a model for culture that is not thin or transparent Walter Brueggemann Columbia Theological Seminary Johnston reads Ecclesiastes with a rich postmodern hermeneutic not the more common simplistic linear moralistic or formulaic approach that threatens to drown Bible readers in the shallows His reading has great value for people seeking new ways to find meaning in Scripture Personally it helped me weave my life experience with my viewing of film and my reading of the Bible and it left me feeling alive and energized Brian McLaren pastor crcc.org and author anewkindofchristian.com Johnston weaves the wisdom of Ecclesiastes into contemporary narrative films and vice versa merging theology and film into a smart and insightful dialogue to enhance understanding of both William D Romanowski Calvin College author of *Eyes Wide Open* Some of the most helpful contemporary interpretation of Scripture comes from those who look at the text with eyes other than those of the biblical scholar Johnston's interpretation of Ecclesiastes through the lens of film is an excellent example The text comes to life in the interaction he creates with the narratives of major contemporary movies They in turn are better understood by the careful theological interpretation Johnston gives them through the lens of Ecclesiastes The possibilities for preaching and teaching are obvious Patrick O Miller Princeton Theological Seminary This book is a well informed and sensitive example of how in our uncertain and contradictory times to engage film and Scripture without denying the integrity of either It is highly recommended Rikk E Watts Regent College

The Gift of Story Emily Griesinger, Mark A. Eaton, 2006 Despite postmodernism's skepticism about narrative the dialogue with contemporary fiction drama music and film demonstrates that the Christian story can engender and sustain hope

Fascinatingly Disturbing Alexander Darius Ornella, Stefanie Knauss, 2010-04-07 Michael Haneke is one of Europe's most successful and controversial film directors Awarded the Palme d'Or and numerous other international awards Haneke has contributed to and shaped contemporary auteur cinema and is becoming more and more popular among academics and cinephiles His mission is as noble as it is provocative he wants to rape the audience into independence to wake them up from the lethargy caused by the entertainment industry The filmic language he employs in this mission is both highly characteristic and efficient and yet his methods are open to criticism for their violence toward and manipulation of the audience The aim of this

book is to analyze critically Haneke's aesthetics his message as well as his ethical motivation from an interdisciplinary and intercultural perspective Contributors to the book come from a variety of academic disciplines and cultural backgrounds European and North American
