Marketing Management, 3rd Edition Kumar Arun & Meenakshi N., In today's socially networked and highly competitive world it is imperative that marketers are always truthful because customers eventually find out if they have been misled. This can lead to their angst with the company going viral thereby destroying the company's reputation. Marketing Management advocates marketing based on absolute truth. Also brand image is sensitive to market sentiments. Brands can be in danger; one wrong product or one shoddy campaign can destroy a brand built over years. Companies must align everything that they do with the core spirit of their brands. Further when everything seems to go digital it is important that marketers keep in mind that customers are primarily interested in their products/services. The book advocates that superior products and services will always be central to marketing. Key Features: Best Practices, Researched, implemented and result driven practices taken from leading companies across diverse industries throughout the world. Marketers can adopt these practices to elevate individual and organizational performance. Corporate Insights: Examples of marketing concepts being implemented by well-known Indian companies and brands. Latest moves of companies and brands as they cope with competition and environment. Case Studies: A brief case study after each chapter focusing on specific issues dealt within the chapter. Specialized Questions: Questions meant to make students ponder upon various aspects of marketing and challenge the existing paradigms.

Liquid Love Dr. Rena' D. Morrow, 2021-04-27 Liquid Love is a journey through an abyss of paradoxical contradictions. Life has a way of playing tricks on you: first it loves you, then it hates you; it supports your dreams and aspirations and then it sabotages the very essence of the dream. Life can promise you a rose garden and fill it with thorns that try your patience, mitigate forgiveness and proliferate bitterness. Life is funny that way. Yet these contradictions serve a greater purpose than what the physical eye can determine. It is at those most ambiguous times that love speaks to you in a way that makes everything better even when it still does not make sense. Liquid Love speaks to these contradictions and offers a way out of that deep hole. It speaks of the love of God and the power His love has to bring beauty out of ashes. It speaks to the deep hurt and offers its power to heal and deliver through pages of personal experience and God's abiding truth. Take this journey through liquid love and let it peel back another layer of discovery to a self you may not have known before. Be courageous. Take the journey.
