Seeking the Red Dragon, Bernard Buffet Nicholas Foulkes, 2016-01-14 It is said that asphyxiation brings on a state of hallucinatory intoxication in which case the 71 year old artist who lay in his sprawling Provencal villa died happy In the early afternoon of Monday 4 October 1999 wracked with Parkinson s and unable to paint because of a fall in which he had broken his wrist Bernard Buffet calmly placed a plastic bag over his head taped it tight around his neck and patiently waited the few minutes it took for death to arrive Bernard Buffet The Invention of the Modern Mega artist tells the remarkable story of a French figurative painter who tasted unprecedented critical and commercial success at an age when his contemporaries were still at art school Then with almost equal suddenness the fruits of fame turned sour and he found himself an outcast Scarred with the contagion of immense commercial success no leper was more untouchable He was the first artist of the television age and the jet age and his role in creating the idea of a post war France is not to be underestimated As the first of the so called Fabulous Five Francoise Sagan

Roger Vadim Brigitte Bardot and Yves Saint Laurent he was a leader of the cultural revolution that seemed to forge a new France from the shattered remains of a discredited and demoralized country Rich in incident Buffet s remarkable story of bisexual love affairs betrayal vendettas lasting half a century shattered reputations alcoholism and drug abuse is played out against the backdrop of the beau monde of the 1950s and 1960s in locations as diverse as St Tropez Japan Paris Dallas St Petersburg and New York before coming to its miserable conclusion alone in his studio *Talking with Psychopaths: Mass Murderers and Spree Killers* Christopher Berry-Dee,2023-08-22 Bestselling true crime author Christopher Berry Dee s latest book tackles the heavy crime of people who randomly kill large numbers of others spree killers and those who set out to do so in specific places or situations mass killers As such killings become more frequent the ready availability and ease of obtaining firearms and weak backgrounds checks in the United States inevitably lends to many of these cases but there have been other recent examples in the United Kingdom New Zealand and Norway where extremely robust firearms legislation could not stop these horrific crimes What is more difficult to establish is the motivation behind such killings Some are occasioned by grievance real or imagined while others have their origins in a sense of failure or feelings of inadequacy yet others seem to be driven by a desire for power over their fellow humans often coupled with an overriding contempt for the lives of others In a search for answers Christopher Berry Dee offers case studies in some of the most infamous mass killings of the past fifty years from school massacres to workplace killings hate crimes to familicides But is the awful truth that such murderers are almost impossible to predict and therefore almost impossible to prevent Dig in and find out *Spanish Police Cars* Cristina Berna, Eric Thomsen,2024-03-12 Police cars are usually very visible in our society advertising the important role of police and much loved by children The role of the police is to enforce the law to ensure the safety health and possessions of citizens and to prevent crime and civil disorder Spanish police cars are as colorful as they come Spain has three main police forces the National Police the Guardia Civil which is especially present in the countryside and the local police In Catalu a there is a special forces Mossos d Esquadre The young ones The pictures are organized according to region with Madrid city as a separate entry The authors have made a similar book on American police cars and the styles are quite different between the two countries We hope you will enjoy our selection of photos
