Jones Gordon F. Jones,2012-02 GORDON F JONES sees the existence of two nations the U S and Canada on the continent of North America as being contrary to the best interests of its own citizens He points out that Canada and the U S evolved separately as one continuing political error and should be united for the benefit of the citizens of both countries so they can achieve their true objectives namely wealth security and a lasting peace Religious and political freedom enter into it but it is the opportunity for personal prosperity during these troubled times that really holds the citizens in thrall Jones shows how by not wanting to openly admit our financial objectives we North Americans are forgoing the opportunity of realizing our goals and in so doing we are failing to provide the world with an example of the peaceful politics of the possible As a citizen who has lived half his life in Canada and half in the United States Jones is a credible observer He offers reasons why the U S and Canada should never have developed separately and he makes cogent proposals as to how this could still be redressed His life experience as a father grandfather company president entrepreneur coach and church elder are all at work as he paints the picture of the United States of North America *USNA II - Book Three* Harry Kalensky,2018 **USNA II - Book Three** David Longworth,Harry Kalensky,Allan Stanleigh,Francine Delgado,2017-04-15 This action filled graphic novel tells about a time in the future when our two great countries Canada and the United States have amalgamated and there is a growing discontent and the people are rebelling The rebellion is led by a former Canadian Prime Minister and although there are political overtones the book is primarily an action based dramatic story This is the final part to the trilogy **USNA II--Book 2** Francine Delgado,2016 This action filled graphic novel takes place sometime in the future when our two great countries Canada and the United States have amalgamated and there is a growing discontent Young adults are being conscripted to fight in the Cent Am wars Family farms are disappearing replaced by prison farms Food shortages are a result of climate change There is now a groundswell of rebellion The rebels want to return to a time when the policies of the government represented the best interests of the people not the best interests of those who govern Within the government of USNA the Strategic Home Alliance Defense Organization SHADO was created to combat this threat and they operate on the fringes of the law Their mission is simple locate and eliminate any rebel activity using deadly force if necessary This is the story of the people s continuing fight against tyranny as the rebellion spreads to New Mexico and Texas **USNA II, Book 1** Francine Delgado,2016 This action filled graphic novel tells about a time in the future when our two great countries Canada and the United States have amalgamated and there is a growing discontent Young adults are being conscripted to
