J. Sieling, You re writing a book But as it turns out writing a book is difficult In your head the narrative is grand and beautiful some might even say epic majestic a story for the ages But as you re rereading what you ve got so far you find yourself disappointed It s not at all how you imagined it with choppy language weak characters and thin description of the setting It lacks depth and form but you don t exactly know how to fix it Writing and revising fiction is challenging and the strategies for doing it well are varied and highly subjective And the truth is there s no single right way to craft a narrative So how do you do it How do you take what seems like a brilliant idea for a story and craft it into something wonderful that truly represents what you know you re capable of How do you add the depth and elegance that will have people reading your book for decades to come In the book The Intersection of Setting and Story delve into the craft of creating compelling fiction with A J Sieling This book will examine the many uses for setting and how a writer can blend it with the other elements of story to build a narrative web which captures the reader s imagination
